**Let's start with the  
first set of slides**

“

Quotations are commonly printed as a means of inspiration and to invoke philosophical thoughts from the reader.

This is a slide  
title

- Here you have a list of items
- And some text
- But remember not to overload your slides with content

You audience will listen to you or read the content, but won't do both.

# BIG CONCEPT

Bring the attention of your audience over a key concept using icons or illustrations

**You can also  
split your  
content**

### **White**

Is the color of milk and fresh snow, the color produced by the combination of all the colors of the visible spectrum.

### **Black**

Is the color of coal, ebony, and of outer space. It is the darkest color, the result of the absence of or complete absorption of light.

## In two or three columns

### **Yellow**

Is the color of gold, butter and ripe lemons. In the spectrum of visible light, yellow is found between green and orange.

### **Blue**

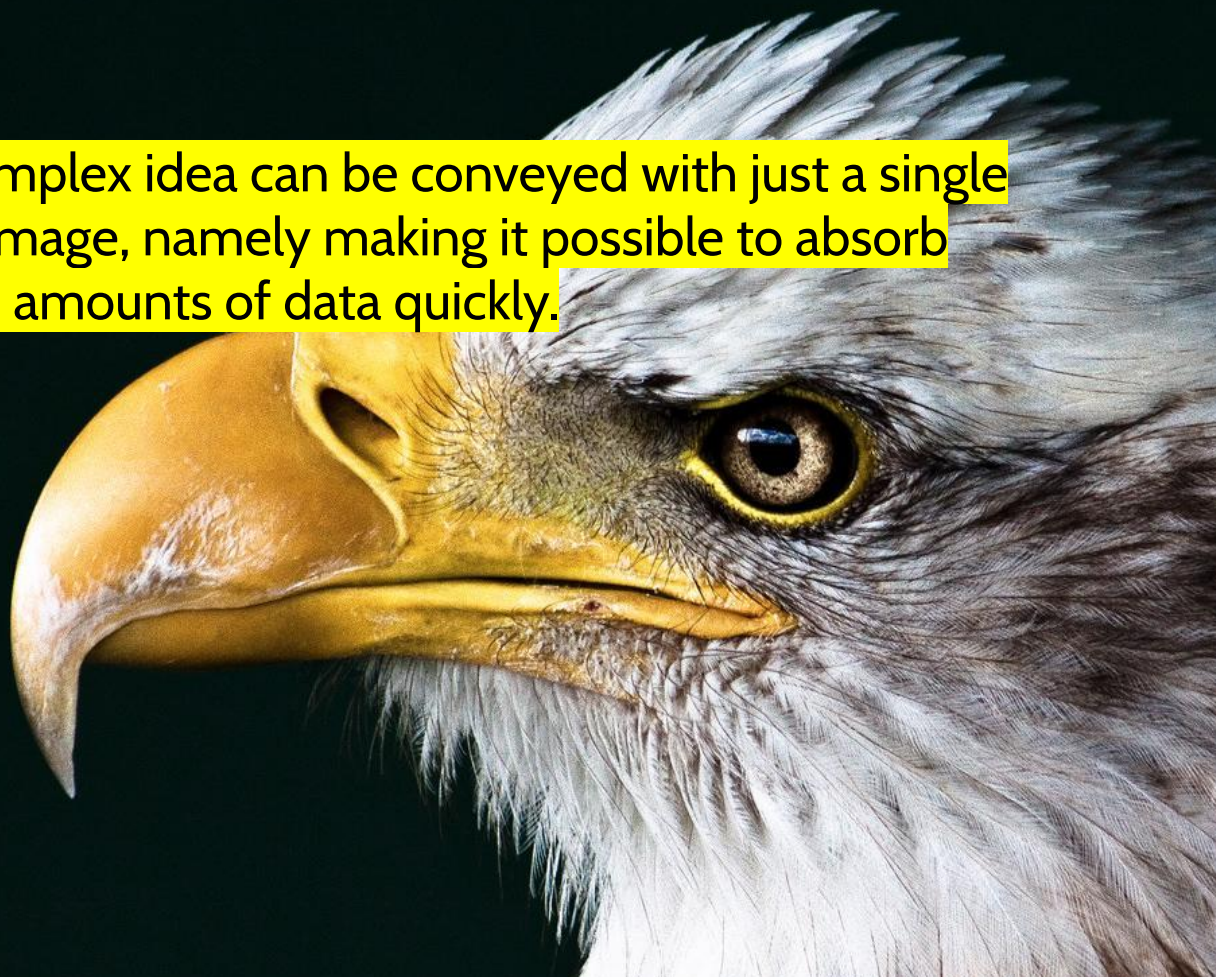

Is the colour of the clear sky and the deep sea. It is located between violet and green on the optical spectrum.

### **Red**

Is the color of blood, and because of this it has historically been associated with sacrifice, danger and courage.

**A picture is  
worth a  
thousand  
words**

A complex idea can be conveyed with just a single still image, namely making it possible to absorb large amounts of data quickly.

**Want big impact?  
Use big image.**

Use charts to  
explain your  
ideas

And tables to  
compare  
data

	A	B	C
Yellow	10	20	7
Blue	30	15	10
Orange	5	24	16

A stylized tablet device is centered within a large black circle. The tablet is outlined in yellow and features a smaller yellow rectangle in the center of its screen. The text "Place your screenshot here" is positioned within this inner rectangle. At the top of the tablet, there are two small yellow dots representing a camera or sensor. At the bottom, there is a single yellow circle representing a home button.

*You don't need to keep this slide in your presentation. It's only here to serve you as a design guide if you need to create new slides or download the fonts to edit the presentation in PowerPoint®*

SlidesCarnival icons are editable shapes.

This means that you can:

- Resize them without losing quality.
- Change fill color and opacity.
- Change line color, width and style.

Isn't that nice? :)
