

An aerial view of a futuristic city at sunset. The sky is filled with dramatic, golden clouds. In the center, a large, dark, stylized 'M' shaped building dominates the skyline. To the left, a multi-lane highway curves through the city. In the foreground, several modern skyscrapers are visible, some with illuminated windows. The city lights are beginning to glow as the sun sets. A dark, semi-transparent rectangular box is overlaid in the center, containing the text 'MISIS VERSION 2.0'. Light blue circuit-like lines with circular nodes extend from the box towards the left and right edges of the image.
