Rushan Minnegulov Paralympic champion

OUR WINNER!

Rushan Minnegulov is a Russian Paralympic standing cross-country skier. He is honored Master of Sports of Russia. He had double win at the World Cup in Tyumen from 2015 to 2016 . He also won two gold medals and a silver medal During the 2014th Winter Paralympics in Sochi.

HE NEVER GIVES UP

- He was born on the 27th of November in 1992 in Bogatyë Saba in Tatarstan. Minnegulov had an accident at the age of 13 and as a result of which he lost part of his hand. But in spite of this he grew up as a sporty boy and loved playing football. After the accident, he began to study at the youth sports school of his uncle Radik Minnegulov, a candidate for master of sports.

Way to victory

Rushan Minnegulov became the Olympic champion in skiing 20 km standing. 21 year old athlete from the neighboring village of Bogatye Saba overtook Finnish athlete Ilku Tomisto and Russian sportsman Vladislav Lekomtsev by 49.5 seconds. Describe the race is almost pointless. Rushan seized the advantage from the very beginning of the race and only increased it during the race.

Tatarstan was without medals at the Winter Olympics in Sochi 2014 but became rich at the Paralympics
