A nice model to combine them with classic clothes and a casual style.
Elegant and at the same time strict style.
Great for the autumn season as they are made of leather.

This model is also very commercial. The sneakers look amazing. Combination of leather and fabric, white sole. I would like to see this model in black.

Leather blue sneakers with white soles. Our buyers like sneakers, in white and blue color such models are always TOP sales.

This model is very comfortable sitting on the leg, looks quite stylish, although made without unnecessary details. I am sure that if such a model appeared in black, it would also be popular.

Plain sneakers made of textured nappa leather in black. Leather lining and insole, rubber sole.

Universal color, sneakers are made in a simple style, without unnecessary details.

I also want to note that this model has a black sole, not white, and this is a big plus.

Colored sneakers leather upholstery
nubuk grey. Fabric lining, leather insole
and rubber sole.

The model is perfect for the Moscow
autumn, in gray color is very well combined
with clothing.

Suede grey-brown sneakers with
nappa leather details.
Excellent model for the autumn
period. However, in this color model is
not popular, due to the fact that this
color of shoes is quite difficult to
combine with clothing.

White sneakers are always popular in our store. A distinctive feature of this model is that the sneakers are made of soft leather and as a result, it is not visible creases.

Brown leather Chelsea. Very elegant model.
Our customers often choose leather Chelsea, not suede, due to the fact that leather shoes get wet much less in rainy weather than suede.

7002/322

Suede Chelsea khaki. The basic model for our store. I would like to see such shoes in other colors, such as black.

7003/322/800

Chelsea's black. Very stylish,
elegant model. Great for classic
clothes and for smart-casual style.

7952/322

Black leather high sneakers. Lining and rubber sole.

The model is more relevant than ever. A great option for the winter, there is a fur lining.

This model is easy to compete with other brands of winter shoes.

7004/322

This model from season to season appears in our store. A great option for both autumn and non-cold winter.

The shoes are suitable for both classic clothes and casual style.

Blue combo sneakers made from nappa leather with side parts made of mesh.

The model looks very stylish and has a very bright design.
In black, this model would have been more successful.

Combined the sneakers with suede and fabric beige. This model has a very bright design. However, they are more suitable for summer and for young people. Most of our customers are adults and wealthy people who cannot combine these shoes with their style

7107/322

Grey leather sneakers of the highest quality with nubuck dressing.

Very soft leather, versatile color.
However, this Shoe has a narrowing closer to the edge of the sole. Our customers are used to more round shapes.

7406/322

Suede brown loafers. Our customers liked this model very much. Perfect for classic pants and classic suit. Very comfortable to sit on your feet and do not cause any discomfort.

7204/322

Blue suede shoes-blücher with perforation. Last season there were similar Blucher suede. Buyers note that the shoes are very light, very comfortable sitting on the leg. This model can be combined with both classic style and smart-casual and casual styles.

Brown leather shoes with topstitched edging. A great model of shoes for everyday wear, for example, to work. Suitable for almost any style of clothing. Previously, shoes of this type was infrequent, so customers took this model very positively.

Goodyear-style monk Shoes in polished black leather with two buckles. Limited Shoe collection. Shoes look very expensive, stylish, elegant. But when used, it is painted. Also, the leather sole is not very practical, as it quickly wears out if such shoes are worn daily.

Black shoes made of textured leather with nappa dressing.
Limited Shoe collection.
A definite plus of this model is the texture of the skin from which it is made. The skin creases are practically invisible, in contrast to the glossy shoes.

Shoes made of nappa leather
Burgundy in color with metallic
details. Limited Shoe collection.
The shoes look very elegant, but I
think they're overpriced. Also this
footwear is painted.
