

The background features a stylized representation of the Russian flag at the top and bottom, with white, blue, and red horizontal stripes. The central area is a light green and cyan gradient, decorated with numerous white daisies of various sizes and orientations. Some daisies are in sharp focus, while others are faded or semi-transparent. There are also faint, grey, swirling patterns and leaf-like shapes scattered throughout the background.

The national symbols of Russia

The background features a stylized representation of the Russian flag with white, blue, and red horizontal stripes at the top and bottom. The central area is a light green and cyan gradient with faint, swirling floral patterns and several large, white daisy-like flowers with yellow centers. Two blue arrows point from the top text down to the words 'official' and 'unofficial' respectively.

THE OFFICIAL SYMBOLS OF RUSSIA

the flag

One Russian symbol is the Russian national flag.

The stripes are white, blue and red. These colours have always been symbolic in Russia: white-noble and sincere, blue-honest and devoted to friends, family and to the country. The red colour has always meant love and bravery.

THE OFFICIAL SYMBOLS OF RUSSIA

Russian National Anthem

Россия - священная наша держава,
Россия - любимая наша страна.
Могучая воля, великая слава -
Твое достоянье на все времена!

Славься, Отечество наше свободное,
Братских народов союз вековой,
Предками данная мудрость народная!
Славься, страна! Мы гордимся тобой!

От южных морей до полярного края
Раскинулись наши леса и поля.
Одна ты на свете! Одна ты такая -
Хранимая Богом родная земля!

Славься, Отечество наше свободное,
Братских народов союз вековой,
Предками данная мудрость народная!
Славься, страна! Мы гордимся тобой!

Широкий простор для мечты и для жизни
Грядущие нам открывают года.
Нам силу дает наша верность Отчизне.
Так было, так есть и так будет всегда!

Славься, Отечество наше свободное,
Братских народов союз вековой,
Предками данная мудрость народная!
Славься, страна! Мы гордимся тобой!

the anthem

The anthem of
Russia is a very
solemn song, written
by Mikhalkov and
Alexandrov.

THE OFFICIAL SYMBOLS OF RUSSIA

the national emblem

**The national emblem
is – a two headed
eagle. It is the most
ancient symbol of
Russia.**

THE UNOFFICIAL SYMBOLS OF RUSSIA

Birch

Birch became a symbol of spring, light and love to the fatherland. The word “birch” is very ancient and is connected with the verb “to keep, to take care”, since the Slavs considered the birch as the protecting people gift of God. The year began with spring and people celebrated it not with fir, but with the birch.
