

Scene Updates

Week of 04/26

Reducing file size

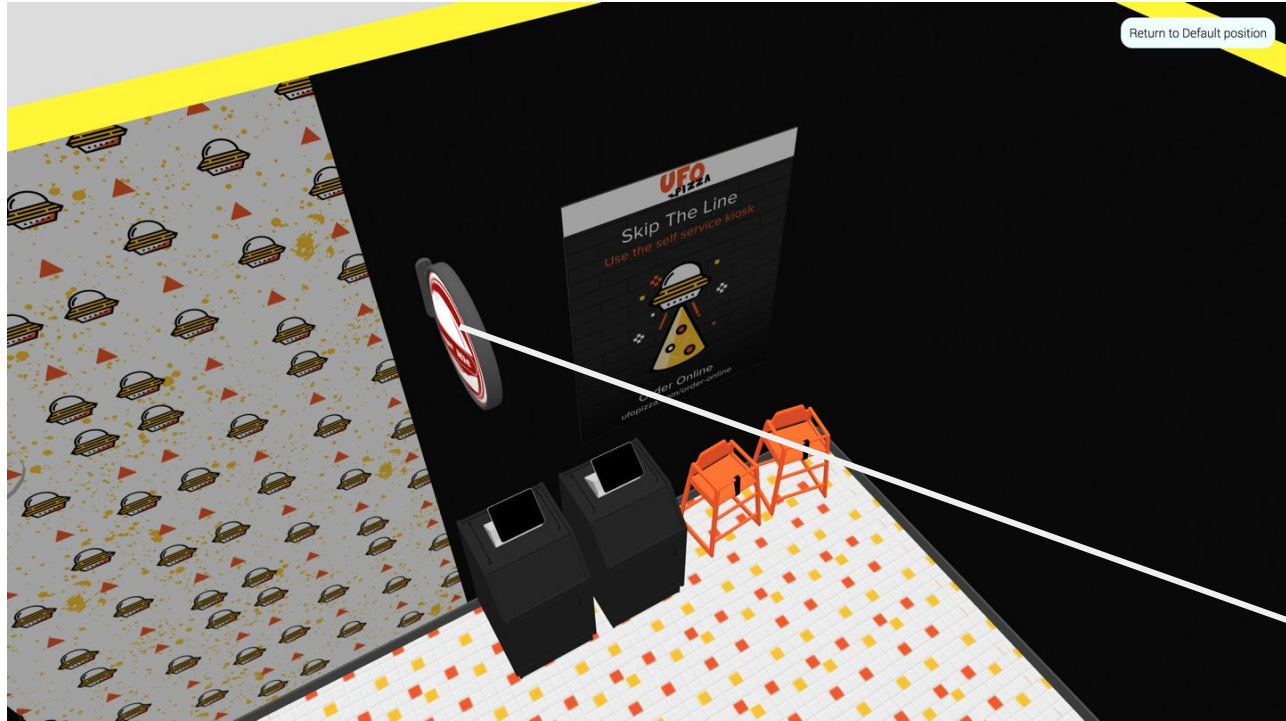

Do you think we could cut the file size by removing the section with the red overlay?

Removals

Removals

Remove this circular sign from the wall

Removals

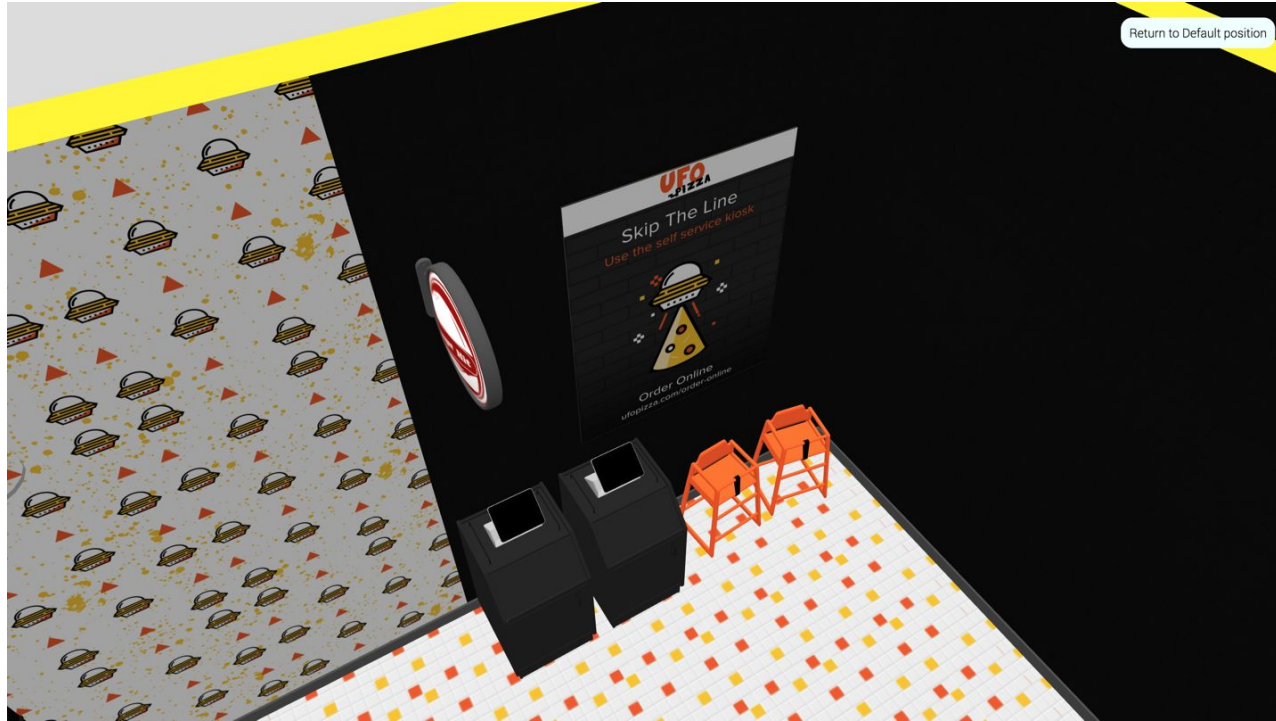

Removal original lighting
from the scene

Button updates

Scene Angles

Angle: Can you adjust the camera to be more “head on”; closer to the ground, to the right so the ipads appear in the center.

Register updates

Can we retrieve these devices from the original files?

Scene Angle

Can you adjust the angle to a lower perspective. Lower to the ground and left.

Is the

Office updates

Move the bookshelf over to the outer wall with the desk in the corner.

Remove the desk on the right and the two desks in front of the book shelf.

Match the tile

Add ufo wallpaper texture.
