*His name is  
Pinocchio.*

Meet Pinocchio. Pinocchio is a clever boy. He is very smart, he likes to have fun with his friends. He lives with his father. Pinocchio always helps his father: he cleans the rooms and makes his bed.

# Two Years Ago...

Two years ago Pinocchio was not so clever. He was lazy and he didn't want to go to school. He wanted to play, run and jump. He ran away from his father and got into trouble (попал в беду). But at last he returned home. He met a lot of new friends. Now they are all happy.

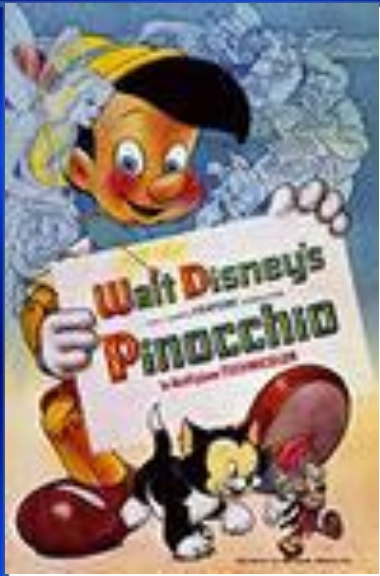

# *Pinocchio is a kind clever boy.*

Now Pinocchio is a clever boy. He has not got a big family, but he has a lot of friends. They go to school together. Pinocchio gets up early, at seven o'clock. He goes to school five days a week: on Monday, Tuesday, Wednesday, Thursday, Friday. He can read, write, translate from English into Russian and count very well. He gets only good marks. His favourite books are fairy-tales.

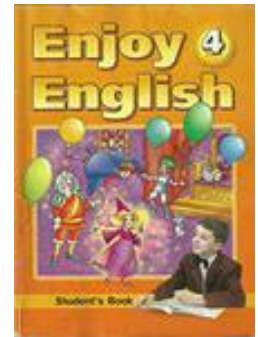

# *Pinocchio is at school.*

In the lessons he usually writes, answers the teacher's questions, learns by heart and sings songs. During the break he plays games with his classmates. Pinocchio is a polite boy. He always says "Good morning !" to the teacher, he doesn't draw on the walls of the classroom, run and jump between the desks.

# Pinocchio's school bag.

Pinocchio uses a lot of things in the lessons. He has got many textbooks, workbooks, a rubber, two pencils, two pens, a sharpener, a ruler, a pencil box and a dictionary.

# Pinocchio's classroom.

The school is big and new. The classrooms are clean. There is a blackboard in Pinocchio's classroom. There are bookshelves with interesting books, desks and chairs for pupils in the classroom. There is a teacher's table, a video and a lot of posters. Pupils don't draw on the desks. In the left corner of the classroom there is a cage with a parrot. This parrot is the cleverest. It can speak Russian.
