

Forest dweller

Winter came. The forest is quiet and only white snow falls from the gray clouds. But the forest people do not sleep. In winter, there is a lot of snow in the forest. And we can meet a lot of different wild animals in it.

WHITE HARE

From a snowdrift on the
edge of the forest,
Someone's ears poked out.
And ran jump Yes jump,
White little animal!

WOLF

Bunny Bunny white under the Christmas tree jumped.
Sometimes a wolf, an angry wolf, trotted by.

RED FOX

A red-haired
cheat, Sly and
clever.
Tail bushy, Fur
Golden.
In the forest
lives In the
village of hens
steals.

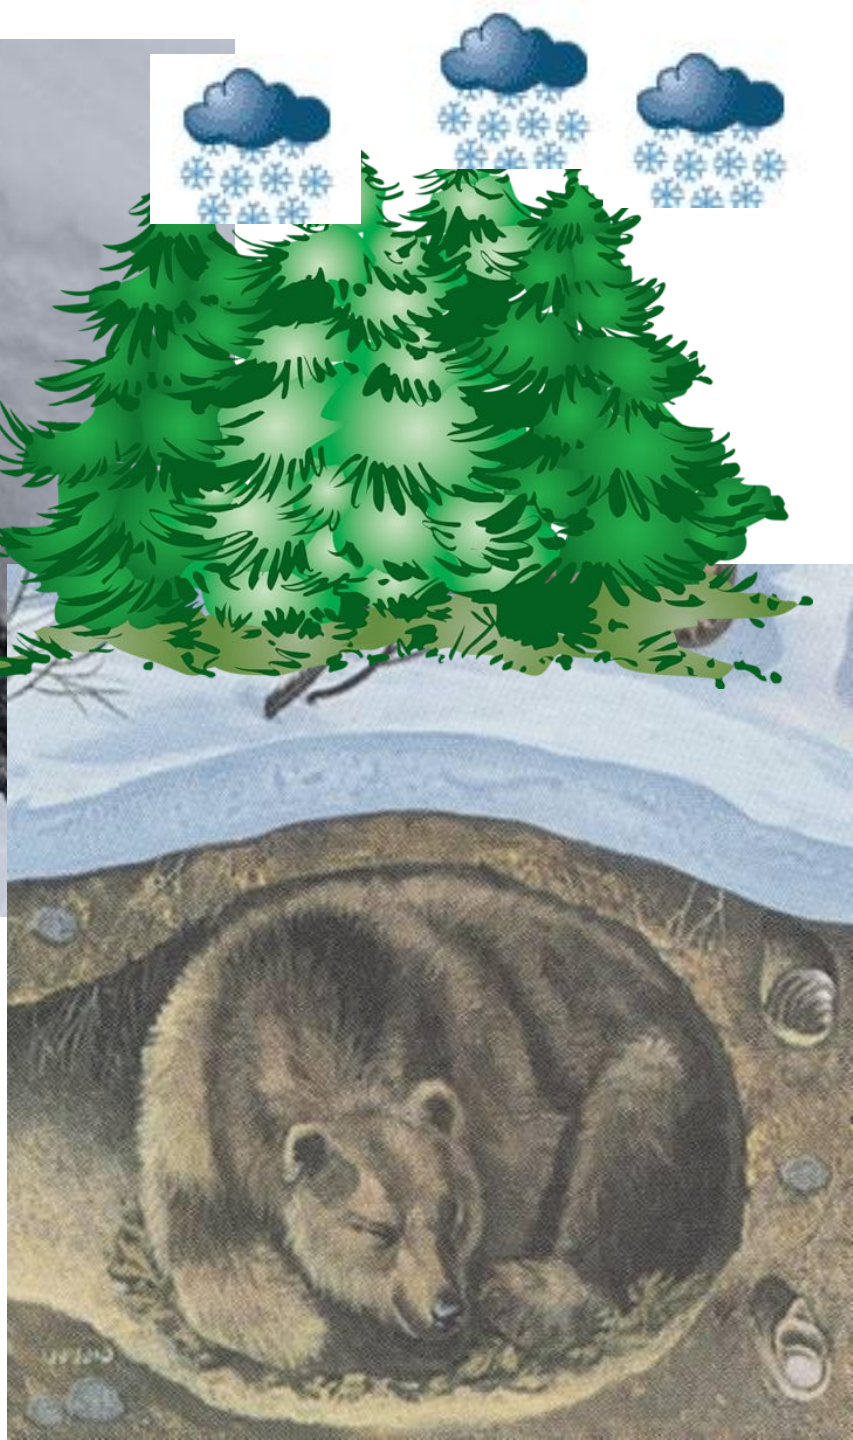

BEAR

**Clubfoot and big,
He sleeps in the
den in winter.
Likes cones, likes
honey,
Well, who will
name it?**

Hush, children, don't make
any noise!
You won't Wake the bear...
He will sleep until spring!

Thank you for your attention!
