The image features a central embossed illustration of a bouquet of flowers, possibly chrysanthemums, arranged in a rounded vase. The flowers are depicted with numerous small, overlapping petals, and the vase has a simple, rounded form. The entire scene is set against a background of numerous small, circular water droplets of varying sizes, which are scattered across the surface. The overall color palette is a range of browns, from light tan to dark chocolate, giving it a classic, elegant appearance. The embossed effect creates a sense of depth and texture.
