VMC

- What is a VMC “Virtual Media Company”?
 - Its an online company, a sets of teams work together or separate.
- What’s the purpose of this company?
 - Group all the needed services from the online freelancers to met the clients needed.
- What are the differences between this and the normal work?
 - It’s almost the same but we want to group a teams together in one place and get the job from different places.
- Do you need to give us something?
 - No at all, just show us your skills and if you are the one we will bring the work to you.

VMC

- Its so simple, we still work under the same structure “Upwork”, but instead of searching a jobs online, it’s our job to bring the opportunity to you.

VMC

- The procedure as following:
1-Search for a job from the real world.

VMC

2-Post job.

VMC

3- announce the groups about the job so they can apply to it.

VMC

4- Hire the proper group.

VMC

5- Do the project as normal.

VMC

6- Deliver the job on the right time and get your money.

That's it..
