# Nu-metal kids

- Similar to metallers or goths, but younger. Will wear band t-shirts, loose or baggy trousers (not much leather or PVC). Will have long chains on their pockets. Some *New Rock* boots, some trainers, ankle boots, etc. Will mostly wear black. Not many piercings or tattoos on account of generally being quite young.

List of subcultures

# Goths

- The members of this subculture wear the blackest black, with a lot of silver jewelry and have very black hair and look as thin and pale as possible. The members gather together to read Bram Stoker and talk about being vampires, and about the end of the world.

# Punks

- Traditionally punks have ripped clothes, tartan trousers, ankle boots, army surplus boots. Colors are varied but there's not many strong colors, mostly faded colors and gray. A lot of piercings and tattoos. Punks are probably older than many others on this page.

# Hippies

- Long flowing dresses, flower patters, pastel colors, long hair (generally undyed). Some piercings and tattoos.

# Skinheads

- They cut their hair shorter than others do. The majority of them are working class, patriot, reggae and football fanatics, and very uninterested in politics. Most wear tight trousers and heavy boots and are usually regarded as violent and aggressive.

# Emo

- Similar to metallers or goths, but younger. They wear band t-shirts, loose or baggy trousers (not much leather or PVC). They have long chains on their pockets. Some *New Rock* boots, some trainers, ankle boots, etc. They mostly wear black. Not many piercings or tattoos on account of generally being quite young.

# Rockers

- They are associated with something rebellious. They listen for heavy music and wear leather jackets and army boots.

# Results

- In the broadest sense, a subculture is any group with a larger complex culture who have interests that vary from those of the mainstream (or dominant) subculture. But in a more specific sense a subculture is a group with a distinct style and identify. Different subcultures have their own beliefs, value system, fashion and favorite music. Also some of subcultures have great influence on the psychology and changes ideas of the youth.
