

WE MAKE A DATE THE PERFECT MATCH...

- ▶ **Produced at our own factory in Germany**
- ▶ **Carefully selected high quality dates ideal for our pastes**
- ▶ **We guarantee low a_w and high food safety**
- ▶ **Short lead time**
- ▶ **Unique packaging (ideal for food ingredients, easy to handle and minimum waste)**
- ▶ **We can tailor-make our pastes according to your requirement**

We know by experience that it can be difficult to find and import high quality date paste to Europe why we decided to start up our own specialized production facility in Germany. We can now proudly say that we have developed our own unique recipes and processing techniques in order to meet even the highest demands from modern consumers and food producers. The secret is using the best quality raw materials which has been carefully selected and imported directly from reliable partners, combined with our unique and processing technique which allows us to adjust texture and a_w according to our customers specific needs.

- ▶ **Flexible weight pr. unit**
- ▶ **Flexible in quantities**
- ▶ **Metal detected**
- ▶ **Customized texture**
- ▶ **Vegan/vegetarian**
- ▶ **No allergens**
- ▶ **NON-GMO**
