

Do you have the same hobby?

Hobbies are fun things, which you can do.
They sure can wile away the time for you.

A treasure hunt looking for that special find,
Finish of a set or take you back in time.

It's exciting to add to your collection,
Praise you receive for beautiful confection.

Collecting stamps, crosses and poetry I write.
I find hobbies can really enrich your life,

Build self-esteem and add to conversation.
A hobby just may bring you elation.
