«TRADITIONS OF ENGLAND ARE THE NOTORIOUS THREE PILLARS ON WHICH THE EARTH RESTS. SOME ASPECTS OF BRITISH LIFE ARE TREATED WITH SPECIAL REVERENCE.»

CONSTRUCTION OF YOUR OWN HOME
AND GARDEN IS THE MOST COMMON
HOBBY IN ENGLAND.

Next tradition is love
for animals.

5 o'clock tea.

British entertainments are also traditional.

Wonderful
tradition to give
a good
education to
children.

The British are very proud of their pure English (especially in comparison with the U.S.).

THANK YOU VERY MUCH.
