Never Land(梦幻庄园)

An aerial photograph of a theme park named Neverland. The park features a large, circular sign in the center with the words "NEVERLAND" and "ON THE ISLAND OF" visible. The sign is surrounded by a paved area and greenery. In the background, there are several large, multi-story buildings with white walls and dark roofs, some with dormer windows. The park is set on a lush green lawn, and a paved road with a car is visible in the lower-left corner. The overall scene is bright and colorful, suggesting a sunny day.

Though Michael had a miserable childhood, he always tried his best to make children feel happy.

He built a dream manor where he invited lots of children to go there to play.

It was really a place where there was no sorrow but happiness.

Inspiration:

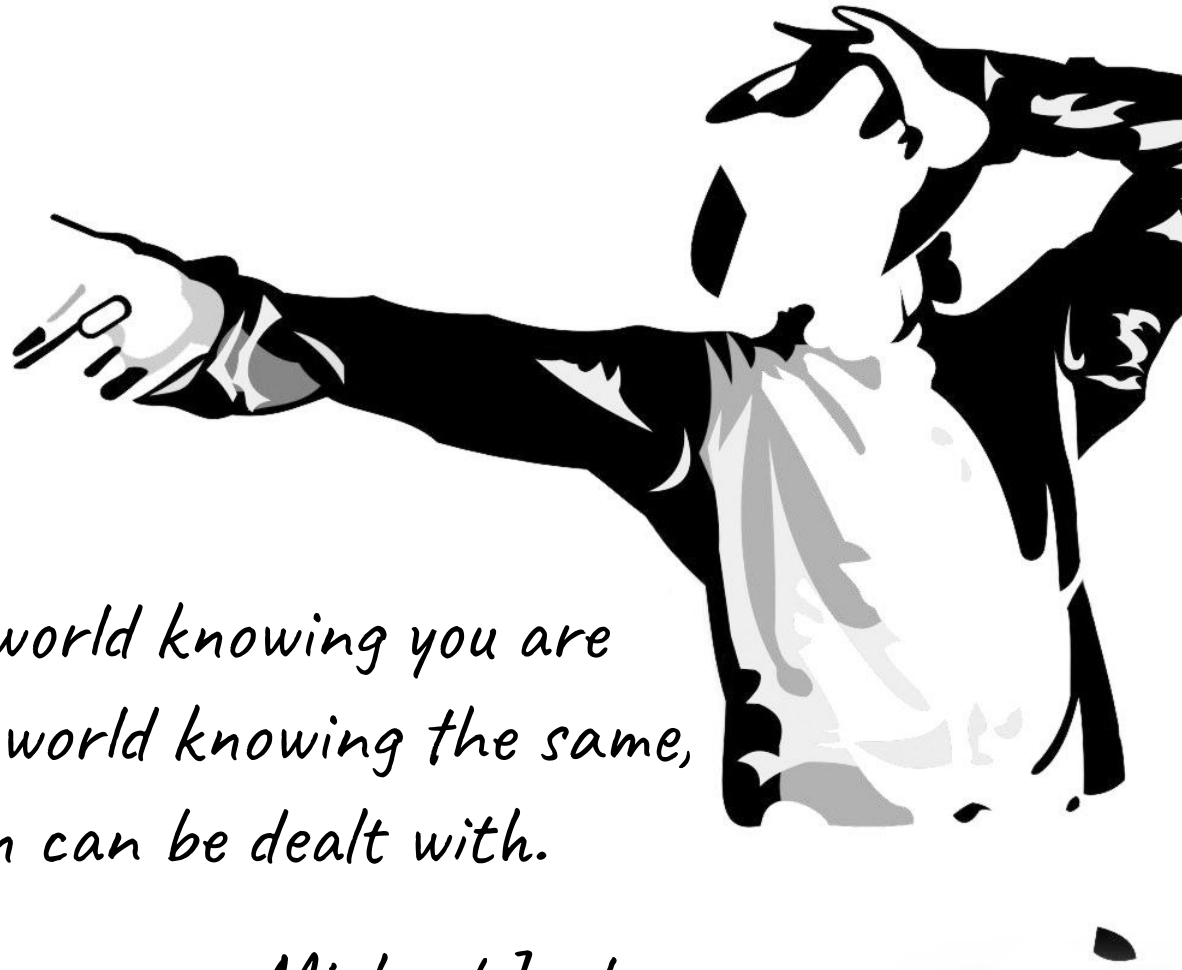

Dear friends, as you can see, Michael Jackson is successful, also brilliant, excellent, outstanding, miracle, generous and so on. Actually, he is beyond all the words here. From his success, we can learn :

1. Believe in yourself because everyone has his/her best power to achieve a dream.
2. Follow your dreams and don't make dreams your master.
3. Trust yourself when all men doubt you and make allowance for their doubting.
4. Keep calm and brave when you meet with triumph and disaster
5. Never hesitate to help others, just devote your love and make our world more beautiful.
6. Cherish our life , fill the unforgiving minute with sixty seconds' worth of distance run
