

# My favorite musical instrument: Cello

Klimov Artyom, 421

# Cello

- Cello is a bowed string instrument of the violin family.

# Cello

- As a solo instrument, the cello uses its whole range, from bass to soprano, and in chamber music such as string quartets and the orchestra's string section, it often plays the bass part, where it may be reinforced an octave lower by the double basses.

[Twenty One Pilots - Stressed out for cello and piano \(COVER\)](#)
