

A comparison of pill dispensers

- ❖ Pre-Organized Medication Pouches
- ❖ Managed by Your Local Pharmacy
- ❖ Fully Labeled In Date & Time Order
- ❖ Perfect for Home or On-The-Go

EZpill™ takes care of all the details of your **doctor's office, insurance and pharmacy**, and gives you a conveniently organized set of medication that you take **one pouch at a time, on schedule** -freeing you to focus on your life, not your medication.

- ✓ EZpill pouches are clearly marked with date and time when you need to take your pills
- ✓ EZpill coordinates all your **physicians, prescriptions and insurance information**.
- ✓ We review your **medication schedule & make adjustment** if your prescription has changed
- ✓ We **keep track of your current list of medication** by staying in contact with you and your prescriber for the updates.
- ✓ We manage and get authorizations for refills
- ✓ **No additional cost** for using EZpill
- ✓ **Your co-pays will stay the same** as it is at your current pharmacy.
- ✓ **Full medication list online** or on dispenser
- ✓ Free home delivery and monthly refills follow-up
- ✓ OTC ,vitamins and other pharmacy product
- ✓ 24/7 Support
- ✓ Transfer refills and medicine history
- ✓ Medication reminder
- ✓ Notifications and communications
- ✓ Dashboard

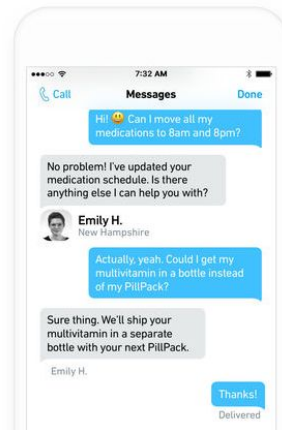

Pill Pack

Your medication, made easy

PillPack is a full-service pharmacy that sorts your medication by the dose and delivers to your door.

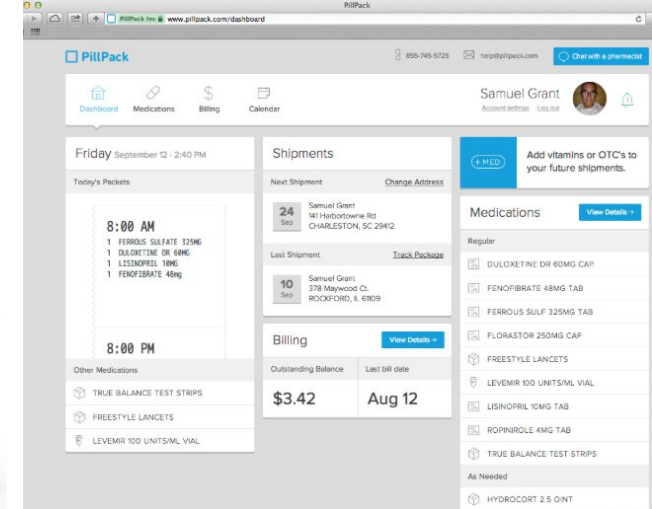

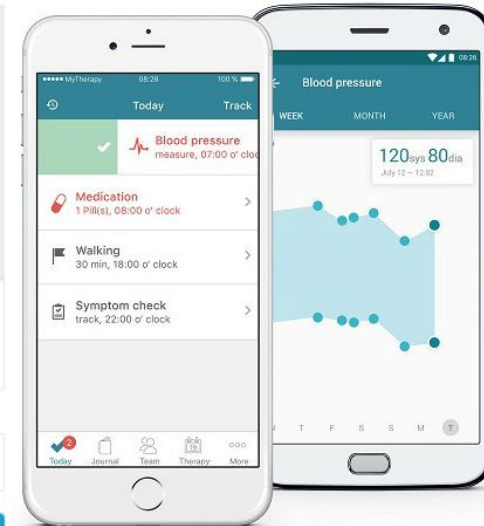

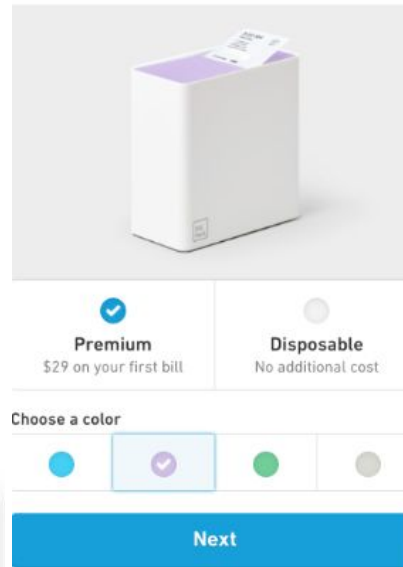

Talk to your pharmacist from your phone.

Features:

- ✓ Do a **holistic review** of your medication.
- ✓ Our medication, including vitamins and OTC's, sorted by the dose.
- ✓ We automatically work with your doctor and process your refills.
- ✓ We **regularly review** your medication schedule.
- ✓ We **manage your bills and claims** directly with your insurance.
- ✓ Travelling? **Our pharmacists will make sure you have enough medication when you're away.**
- ✓ We can ship it to you **overnight.**

Never sort your medication.

We sort your medication by the dose into individual packets. **Update** your medication at any time.

Never wait in line at the pharmacy.

We **deliver directly to your door**, every month.

Pharmacy Items

You can easily **order or pause as-needed medication**, like creams, inhalers, and testing supplies.

24/7 Support via phone, text, e-mail, or live chat.

Check your bill, track shipments, and review your medication list in the dashboard.

As a customer, you are responsible for:

- ✓ Your Monthly Copay
Your insurance sets your prescription prices.
- ✓ Any Vitamins or OTC's
Medications not covered by insurance.

Medication Management Made Simple. Just what the doctor ordered.

Your MedPack arrives ready to use based on your doctor's instructions
So you always take the right medication at the right time..

- ✓ Sort your medications by date and time of day, and the names of your medications.
- ✓ Transfer your existing prescriptions.
- ✓ Ship your medications to your door
- ✓ Manage your refills and renewals.
- ✓ Don't need insurance coverage to use Alliance Pharmacy, but we directly bill all major insurance providers.
- ✓ Free overnight express delivery or MedPack.

Transfer

Have your doctor fax us your new prescriptions. We'll transfer your existing prescriptions from your previous pharmacy.

[Our robotic dispensing technology](#) lets us spend more time helping patients and less time sorting pills.

Replenish

We'll [send you a refill reminder](#) before you run out, and [call your doctor](#) when your prescription needs to be renewed.

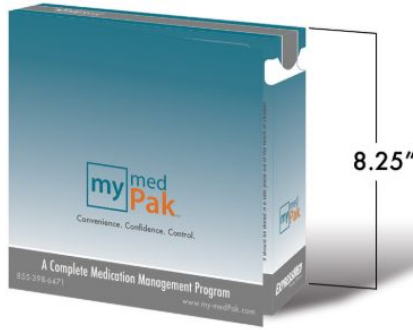

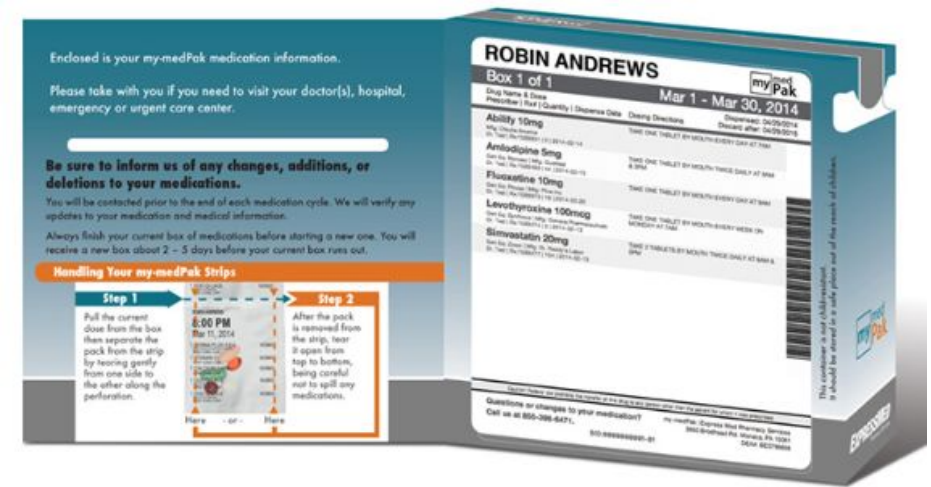

Convenience. Confidence. Control.

A complete pharmacy solution for you and your family.

You'll be able to take the correct medication at the right time. Every time!

No pill boxes. No bottles. No bother.

Home Visit

A Care Team Member will schedule a time to visit your home. We always encourage your family, friends, and caregivers to join us to ensure everyone understands the program. During the visit, we'll gather all of the information we'll need to place you into our program.

Demographics and Medical Background

Medications Prescribed

Over-the-Counter Medications and Vitamins Used

We'll also use this time to answer any questions you may have.

Free Delivery

Each month you'll receive your medications directly to **your home or office** at no additional charge.

Assistance

We're available to **help every day, anytime.**

Physician Communication

We **keep your doctors informed** about what is happening with your medication therapy.

Compliance Packaging

All of your medications are organized by the date and time you should take them. It's super easy!

Insurance Pays

There is NO additional cost for the my-medPak program, and **co-pays stay the same**. If you pay out of pocket, we will **attempt to match or beat the competitor's regular pricing**.

Our Care Team

Our team of pharmacists, certified technicians, and customer care specialists are available 24/7 for any of your pharmacy-related questions or needs.

Automatic Refills

We take care of your refills every month and communicate with your doctors for any required authorizations.

Home Delivery

We provide FREE delivery directly to the location of your choice!

Medication Synchronization

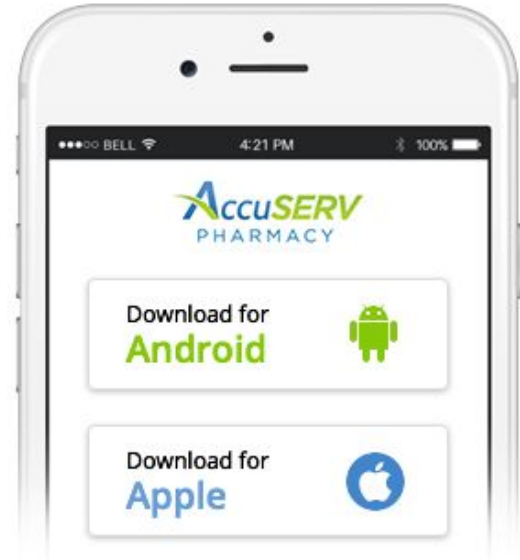

We match up all your medications' fill dates so they will all run out at the same time. This way you always have just the right supply.

AccuServ provides an easier and safer way than filling pill boxes.

Your medications will be delivered to you each month in the AccuPac®, your pills come pre-sorted based on the time of day you take them.

You will get The Right Dose at the Right Time, Every Time.

Refill and Manage Your Prescriptions, at Home or On-the-Go
Use the secure AccuServ Pharmacy® mobile app to:

- ✓ Refill prescriptions from your mobile device
- ✓ Get notified via text when your prescription is ready for pickup or delivery
- ✓ Set reminders to refill prescriptions
- ✓ Set reminders to take medications as prescribed
- ✓ Access prescription history easily to share with healthcare professionals
- ✓ Link family members to one account to easily manage prescriptions
- ✓ Find an AccuServ Pharmacy® near you

- ✓ 2-Hour Admission
- ✓ Prior Authorizations and Co-pay Assistance
- ✓ Single Point of Contact
- ✓ High Patient Adherence
- ✓ Medications When You Need them
- ✓ 24/7 Patient Support

- ✓ A simpler, safer way to manage medication.
- ✓ No pill boxes to fill
- ✓ Easy-to-use packaging
- ✓ No trips to the pharmacy
- ✓ No additional charges
- ✓ You only pay your co-pays

Never Miss a Dose

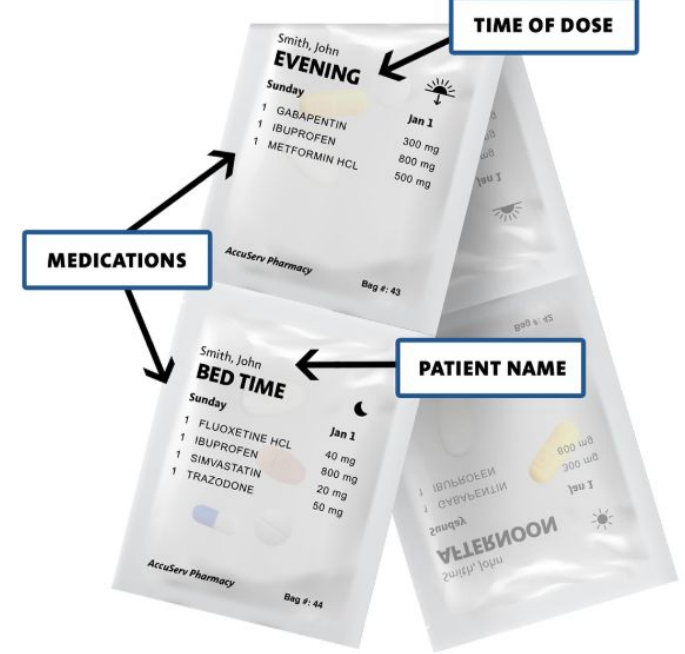

Our pharmacists automatically schedule your refills, so you'll always have your medications when you need them.

We Manage Your Prescriptions

Your doctors send new prescriptions directly to AccuServ Pharmacy®, we manage your refills for you.

Complete Accuracy

We use an automated dispensing system with multiple checks by the pharmacist to ensure complete accuracy.

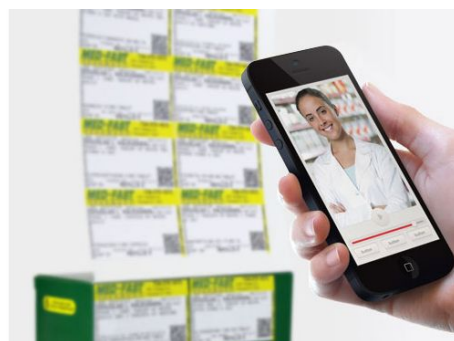

A safer, easier way to take your daily medications.

Med-Fast Pharmacy is proud to introduce a safer, easier way to take your daily medications; EZ-Pac. If you, your loved one or patient take several medications, vitamins or over-the-counter products daily, and it is hard to manage, we can help. All of the health, none of the hassle with Med-Fast's EZ-Pac.

- ✓ Physician Orders
- ✓ Video Access of Medication Details
- ✓ Medication Reminder Calls
- ✓ No Additional Fees
- ✓ Get All your Prescriptions at One Time
- ✓ Encourages Medication Compliance & Adherence

Each package is clearly labeled.

Synchronize your Refills

Choose the date each month that is most convenient for your prescriptions to be filled. You will receive a phone call about a week before they are filled to check and see if there have been any medication changes.

Wait for Ready Notification

After your prescriptions are filled, we will contact you to let you know that your prescriptions are ready to be picked up at the Pharmacy.

Receive a Free Consultation

Each month, we will be available to meet with you to discuss any questions, problems, or concerns you may have about your health and medications.

Med-Fast Will Do the Rest

Before your next order, we'll check in with you to see if you have any medical changes and to confirm you're on schedule with your doses. When needed, we'll call your doctor for refills or work with your insurance company to make life easier for you.

Manage your health, without the headache.

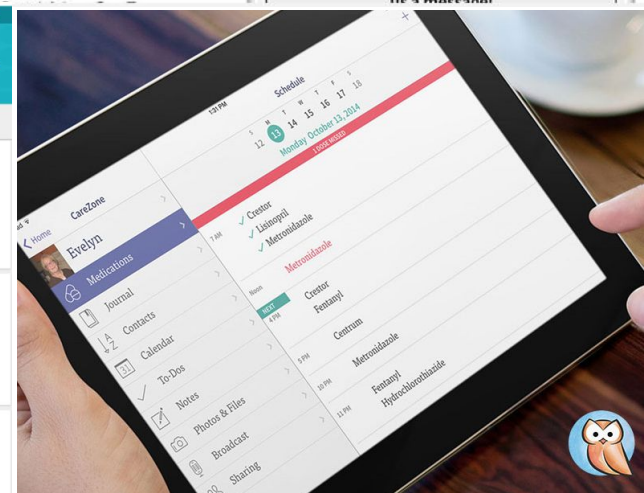

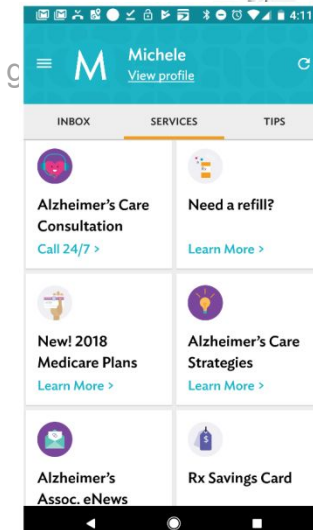

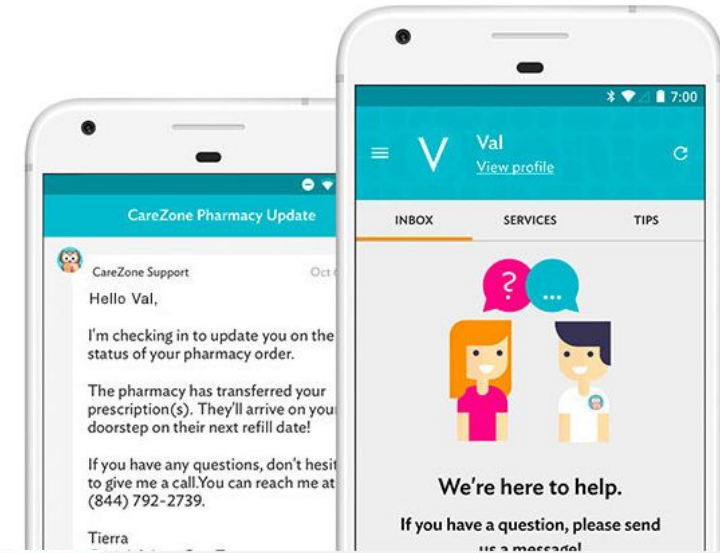

CareZone is a worry-free way to organize health information and access vital health services.

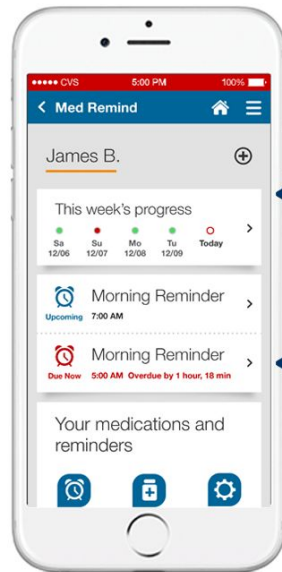

Take the hassle out of prescription refills

Get your medications sorted by dose and delivered to your door.

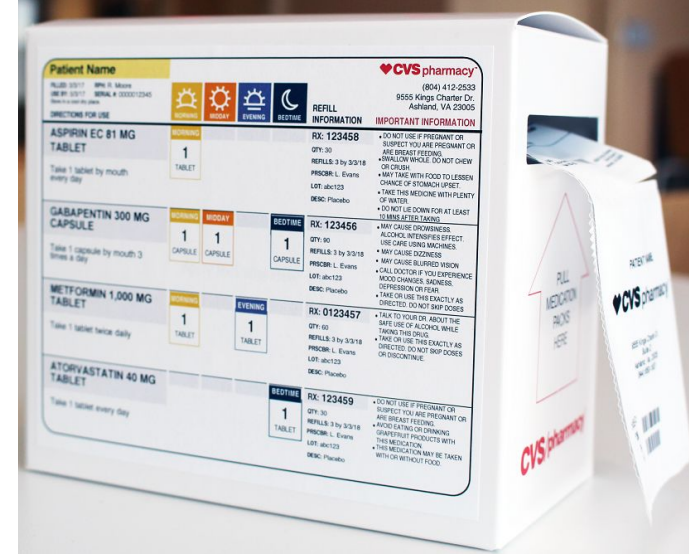

- ✓ Your pharmacy information is safely stored and synced in your CareZone app.
- ✓ You can access your current med list, request refills, and track shipments with a single tap.
- ✓ You just pay your standard copays and deductibles. All major insurance plans, including Medicare and Medicaid, are accepted.
- ✓ Free home Delivery
- ✓ \$5 Generic Meds
- ✓ Use your CareZone app to communicate with a pharmacist or from your personal Care Advisor

Track progress easily.

Respond to reminders quickly.

Clear refill details make re-ordering a snap

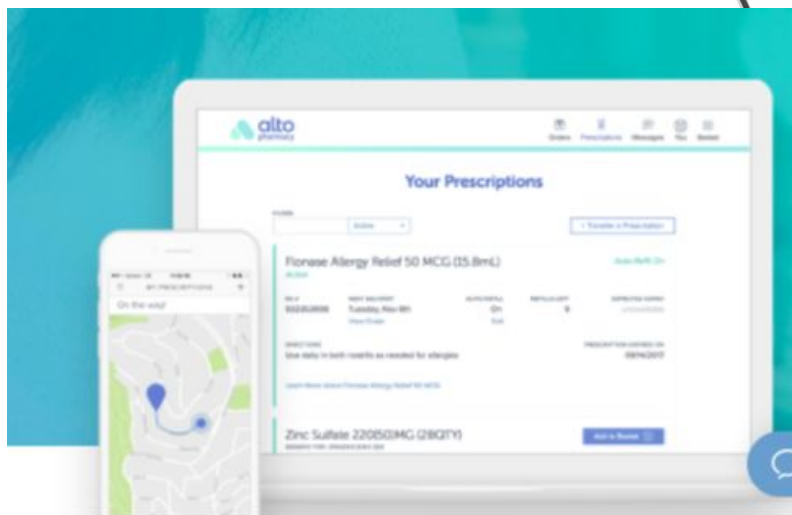

Simplified dosage schedule for clearer directions
