# La chasse aux œufs de Pâques

Pâques est le printemps.  
Les enfants colorient les  
œufs en les trempant  
dans des tasses de  
colorant.

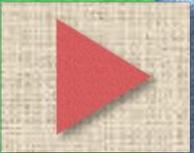

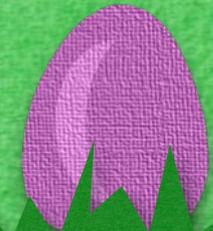

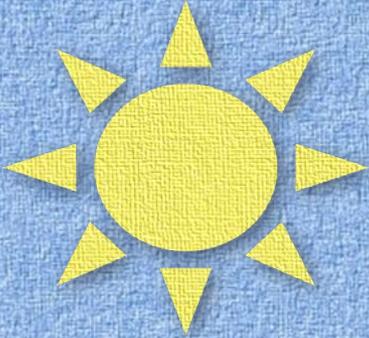

# La chasse aux œufs de Pâques

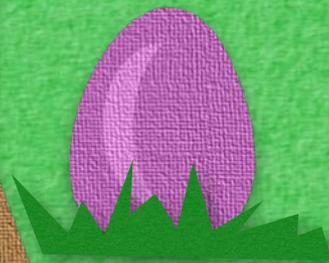

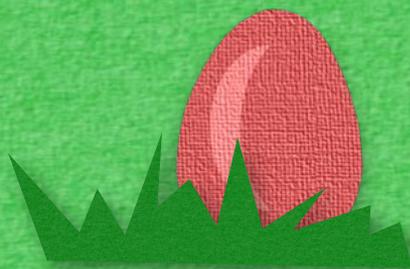

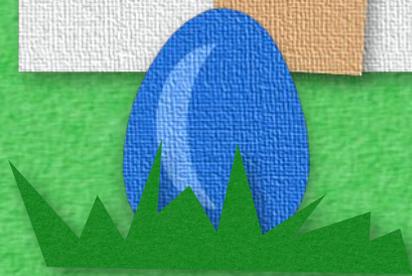

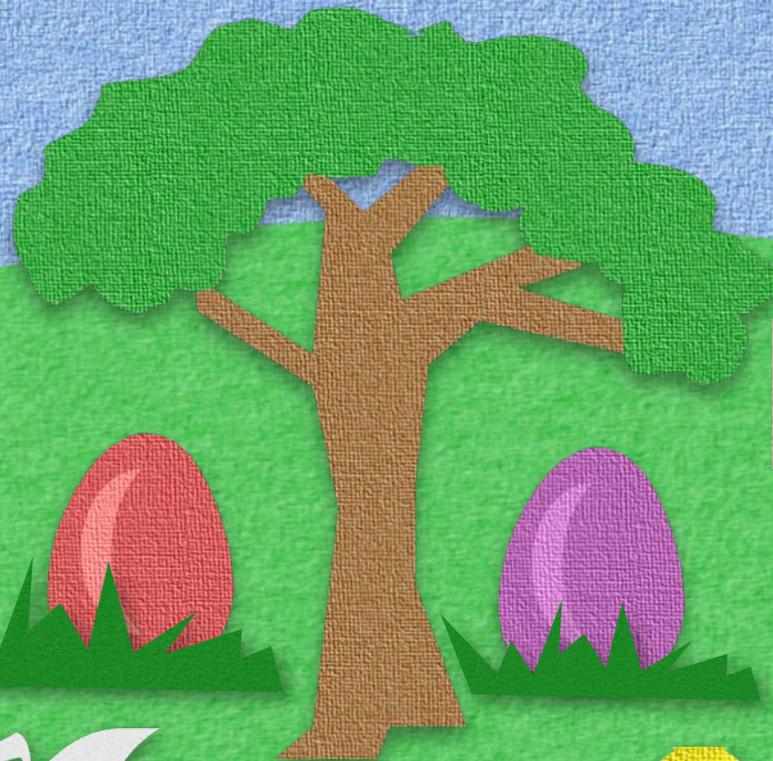

Chasse aux œufs de Pâques est commun partout dans le monde. Les œufs sont cachés par les adultes et les enfants chassent et les collectent. Pouvez-vous m'aider à chasser les œufs colorés, s'il vous plait?
