full of emotion, hopes or dreams

*She was too starry-eyed  
about her future.*

# it's not rocket science

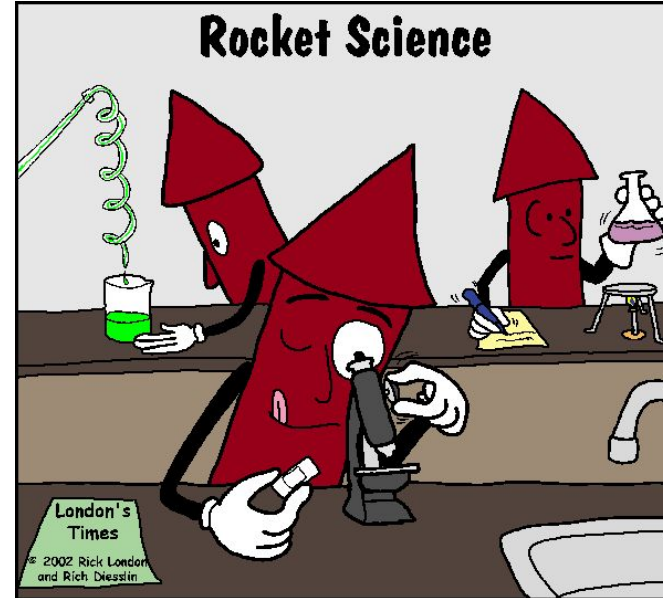

is easy to do or understand

COME ON GUYS, IT'S  
NOT ROCKET SCIENCE

IT IS NUM3ERS

DIYLOL.COM

Come on Rob, it's not rocket science, all you have to do is open the tin and heat it up.

# Under the sun

Everything  
that exists

Or possible

*I've been called all the names under the sun!*

# Over the moon

extremely happy and excited

*They're over the moon about their trip to Japan.*

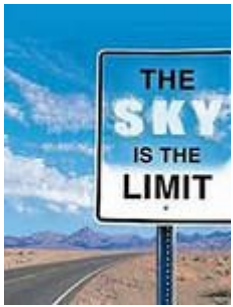

**(Living) on another planet  
what planet are you on?**

somebody's  
ideas are not  
realistic or  
practical

*He thinks being a father is easy.  
What planet is he on?*

# the sky is the limit

there is no limit to what somebody can achieve,  
earn, do

*With a talent like his, the sky's the limit.*

# Reach for the stars / moon

try to be successful at something that is difficult
