

The Faculty of Natural Sciences

Student of NGF Minkova Sophia (March 2017)

The Faculty of Natural Sciences has six Departments.

They turn out:

- ❑ ecologists,
- ❑ biologists,
- ❑ chemists,
- ❑ geographers,
- ❑ hotel managers
- ❑ and tourism specialists.

Departments

- At the Ecology Department studying agricultural disciplines students come to realize man's responsibility for survival of Nature.

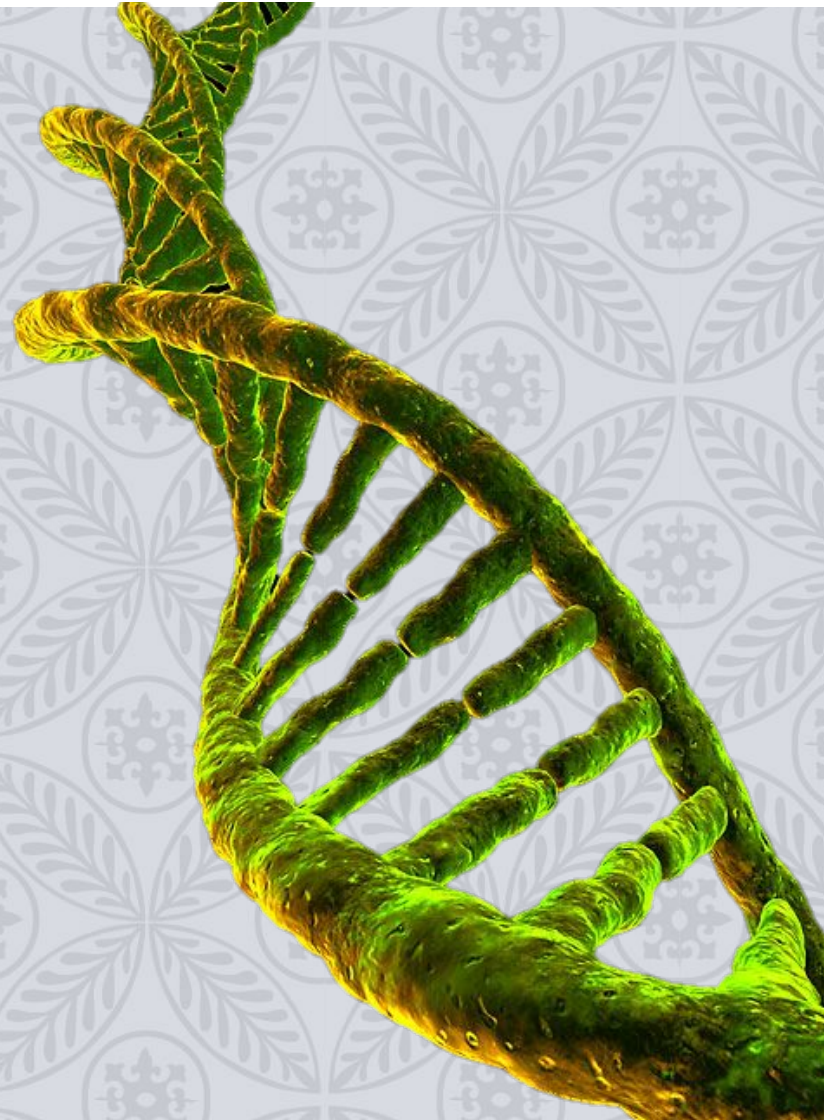

- The Tourism Department turns out tour-operators, tourism managers, animators, guide excursionists.

Biologists

At the Chairs of special biological subjects students receive comprehensive knowledge of Nature.

Biology is the study of living organisms and a man is a reasonable one among all of them.

A specialty of the faculty is summer field practices in the most picturesque spots of Ryazan and other regions.

The collection of herbarium material

Students are also involved in research work.

- The results of their investigations are presented at the annual scientific conference.
