# *Description of the restaurant*

I would like to tell you about my **own** restaurant. This is a very cozy place with a quiet and relaxing atmosphere. At the entrance there is a summer terrace, where guests can enjoy a light business lunch or a cup of Italian coffee.

**There is** a spacious, air-conditioned dining room, elegantly decorated in warm colors. Soft music plays in the background. The staff will be happy to give you all the information about the new **courses on the menu** and specialties.

In **particular**, there are dishes of Italian cuisine **on our menu**. Guests can enjoy fresh pizza, delicious pasta and excellent meat and fish dishes. A variety of salads and snacks are also served here. After lunch or dinner, you can enjoy one of the wonderful desserts. You can also taste alcoholic and non-alcoholic

# *Italian Cuisine*

**Traditional Italian Cuisine is one of the most** widespread and popular cuisines in the world, thanks to dishes like pizza and spaghetti. It is very diverse and regional, each region **having** its own traditional dishes.

Italian cuisine is based on the long developed tradition with the cultural influences of the Romans, Greeks, Lombards, Arabs and other peoples who used to inhabit Italy or influence the formation of its culture.
