SUBJECT : ENGLISH

THEME : SAN-DIEGO CITY

COMPLETED:

2ND YEAR STUDENT SHMETOV.A.G

CHECKED:

S. TEACHER SAVITSKAYA I.P

# Location

San Diego is a large city located in the state of California in the southeastern United States.

# History

In the 16th century, the «Kumeyai» Indians lived in the city of San Diego. The first European who came to San Diego Bay was Juan Rodriguez Cabrillo, who called the port of San Miguel.

# Population

The population in 2016 was 1,406,630 people.

58.9% are white

28.8% - Latinos of various nationalities

15.9% - Asians

6.7% - African Americans

0.6% - Indians

0.5% - Pacific Islanders

12.3% - other races

5.1% - two or more races

# Attractions

The Botanical Garden unites several territories within its borders: the Japanese Garden, the Alcazar Garden, the Children's Ethnobotanical Garden, the Old Cactus Garden,

The aircraft carrier USS Medway -the very first US aircraft carrier. For 47 years he was in the US Navy. In 1992, the aircraft carrier was written off and turned into a muse.

# Petko Park

A baseball arena that is home to the San Diego Padres team. The stadium was built in 2004 to replace the old “Qualcomm-stadium”. Tourists are keen on talking to each other and eating burgers.

# Amusement Park "Belmont"

Amusement park in the beach area, created in 1925 by magnate D. Sprekels. There are still old carousels. Also in Belmonte there is a swimming pool where swimming competitions, a grill bar with a concert platform and a sports club take place regularly.
