Tiunova U.

Biography

Evgeniy Garanichev born February 13, 1988 in Perm region, in the village of Novoilyinskiy. In biathlon, he came in only 20 years, and before that made a lot of progress in ski racing. In the ski section his parents brought when she was 8 years old. So Eugene became interested in skiing. As the future showed, the choice of sport was done correctly.

Career

In biathlon Evgeny Garanichev moved in 2008 on the advice of his countryman Vladimir Alikina. In the Perm region there were no conditions for the development of skiing. Then the young skier turned to the V. A. Alicino, who introduced him with Maxim Vladimirovich Kugaevski, coach of the Tyumen biathlon team

Evgeny Garanichev was included in the Russian team to participate in the XXII Olympic Winter games in Sochi. 3.02 2014

Garanichev took part in the individual race, where he won the bronze medal.

Garanichev won bronze in the individual race was the only personal reward men's biathlon team of Russia on the home Olympics
