EXCHANGE PROGRAM 2019 REPUBLIC OF MACEDONIA

WELCOME MESSAGE – Young Doctor's Club

Dear students, young doctors and residents, we are more than happy to welcome you in our beautiful and small but rich with heritage and history land, Macedonia.

We are looking for bright, open minded, flexible young people who are willing to move outside their comfort zones and who want to learn about the world and themselves and in meantime learn more about medicine on one new level with our wonderful mentors.

What other students say about Macedonia?

- Catherine Natanzye from :

“My experience in Skopje, Macedonia was amazing and beyond my expectations. The hospital practicals were very well, I learned so much from the many operations I observed. With surgery all the theoretical knowledge makes more sense when you see it being done and that’s exactly how it was for me. I had so much fun too in Ohrid, it’s the best place I’ve ever been too. Lake Ohrid is breathtaking. Living in Skopje was so easy, the apartment was veery good, it was very close to the mall and transportation was easy (love the double decker buses). The group of students I met were very outgoing and interactive.”

● Nguyen Thanh Hien:

Это была незабываемая практика!!! Жители были очень добрыми, страна была спокойна с солнцем весь августа ну не сильно жарко. В больнице, большинство работников знает английский, врачи с высокой квалификацией объясняли все то что мне нужно и интересно. И конечно у меня были очень много веселых моментов с группой обменных студентов.

MACEDONIA IS WAITING FOR YOU!
