

*Emo*

- 
- *Emo - a youth subculture that is based on poklonnikovalternativnogo rock and post-hardcore. Its representatives called Emo kidy*
  - *Express your emotions and be yourself - the main rule for emo. Tru-emo - a person who matches the image of emo, post-hardcore listening, alternative rock, and in a state, which is close to the state of bipolar disorder. Therefore we can say that the Tru-Emo - is a character that does not exist in the real world.*

- 
- *Despite the fact that the emo-core, a genre of music, is the same name, it has nothing to do with the emo culture. In the post-hardcore emo predominant emphasis on romanticism and sublime love. Attention emo increasingly drawn to the profound personal experiences than on public events . Emo culture is totally devoid of aggressive machismo.*

- 
- *Emo is often compared to the gothic subculture that typically causes a protest like the Goths, and at Emo kidov, although some agree that between these subcultures have a certain affinity . Some researchers have suggested subculture that emo exposed to even greater risk of suicide than the Goths.*

- 
- *Traditional emo haircut is considered oblique, jagged bangs to the tip of the nose, closing one eye, and behind short hair sticking out in different directions. Preference is given to rigid straight black hair. The girls may be children, ridiculous haircuts - two "little tail" bright "Clip" - "hearts" on the sides, bows. To create these hairstyles Emo use a lot of hairspray fixing.*

- 
- *Most Emo kids pierced ears or make tunnels. On the face and other parts of the body Emo Kid can be pierced.*
  - *And boys and girls can lipstick color under the skin, use a light foundation. Eyes densely sum in pencil or ink. Nails covered with black lacquer.*

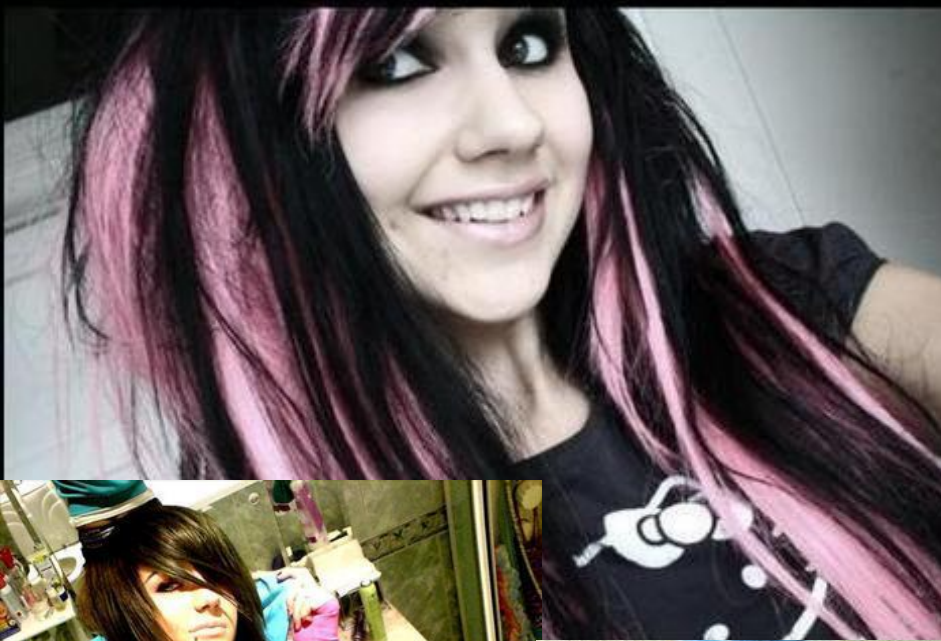

- 
- *For the characteristic of emo clothes in pink and black colors with two-color patterns and stylized icons. The main colors in the clothes are black and pink (magenta), although other shockingly-bright combinations are considered acceptable.*
  - *There are a combination of a broad strip. Often depicted on clothing name emo bands, funny pictures or chipped heart. There are features of the sports-style clothing.*

*For emo characterized by the following attributes:*

- Postal shoulder bag, covered with patches.*
- Icons, pritseplënnye to clothing and, sometimes, to the shoes.*
- Big Points bright or black colors.*
- Bright multi-colored bracelets on their hands, especially popular ETCs or punk paraphernalia.*
- Large beads of bright colors around the neck.*
- Soft toys in the form of bears, which Emo kidy stabbed and sewn with thick thread. Such toys act as a kind of mascot. They take with them on walks to class with them to stay at home and sleep.*
