

Притча о маме

**За день до своего
рождения ребенок
спросил у Бога:**

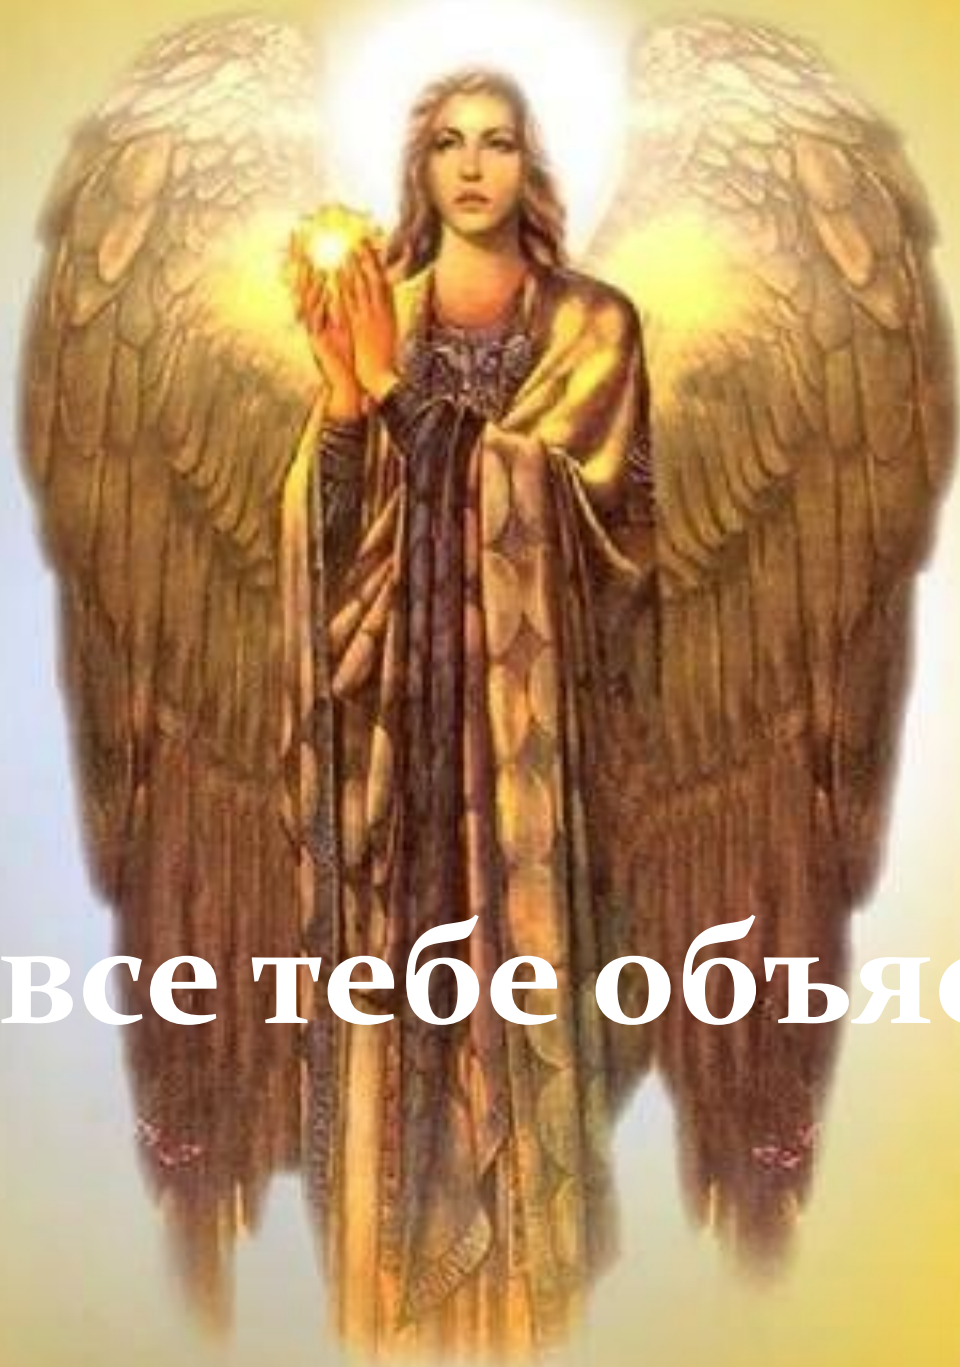

A young child with curly hair and angel wings looking up. The child is shirtless and has large, light blue angel wings. The background is a soft, light blue gradient.

Я не знаю, зачем я иду
в этот мир? Что я
должен делать?

Бог ответил:

**- Я подарю тебе ангела,
который всегда будет
рядом с тобой**

Он все тебе объяснит

Ángeles

**-Но как я пойму его?
-Ведь я не знаю его языка.**

A woman with long blonde hair, wearing a long white dress, stands in a room with a large arched window. The room has a textured, light-colored wall. The text is overlaid on the bottom half of the image.

- Ангел будет учить тебя
своему языку

Он будет охранять тебя от
всех бед

A young angel with long, flowing white hair and large, feathered white wings. The angel has a soft, glowing halo around their head and is looking down with a sad expression, hands clasped in prayer. They are holding a glowing, spherical object that resembles a moon or a planet. The background is a dark, starry night sky with soft, ethereal clouds. The overall color palette is dominated by blues and whites, with a few small red and orange butterflies scattered around.

- Как и когда я должен
вернуться к тебе?

- Твой ангел скажет тебе
всё

- А как зовут моего
ангела?

A vibrant sky with a bright sun, a rainbow, and fluffy white clouds. The sun is positioned in the upper right, casting a bright glow and a vertical lens flare. A rainbow is visible in the upper center, partially obscured by the sun's light. The sky is filled with large, fluffy white clouds against a deep blue background.

-Неважно, как его зовут.
-У него много имён

Ты будешь называть
его
МАМА!

A woman with long, wavy blonde hair and blue eyes is looking towards the camera. In the background, a baby is sleeping peacefully in a light green outfit, lying on a white surface. The scene is set in a snowy, winter landscape with evergreen trees and a bright blue sky. The entire image is covered in a soft, sparkling effect, suggesting snow or falling stars.
