

A vibrant illustration of a spring scene. The top half features a large, thick brown tree branch extending from the right side, heavily laden with bright pink cherry blossoms. Some petals are shown falling through the air. Interspersed among the pink blossoms are several small, delicate white flowers with yellow centers. Two butterflies are visible: a yellow one with black markings and a pink one. The background is a soft, out-of-focus green, suggesting a lush garden or park. The overall atmosphere is bright and cheerful.
