OVERVIEW

A young active and creative beginner florist for special events. I am a great team player, always excited to learn new things, ready for interesting experiments. I have experience in the sphere of HAND

Education:

- Pedagogical University. The teacher of Ukrainian language and literature, the editor of educational publications (Ukraine, 2008-2013);
- European Floral Art School: Beginners class, Advanced design, Wedding design (USA, Chicago, 2015).
- I like to read books about design and follow the modern trends in the sphere of floral design

Experience:

- Own business project «Sweet Bouquets» 2013-2015 (Ukraine)
I learned techniques of work with crepe paper and candy, found my individual style when working with floral arrangements.
