Dear Danny

Hi! How are you? I hope everything is Ok!

I really love our new place. It's a beautiful big house by the sea and just outside the village.

The house has got two floors. There are three large bedrooms and a bathroom on the first floor. The living room and the kitchen are on the ground floor and there is another bathroom next to the kitchen.

The kitchen is very big and it has got lots of cupboards. The living room is fantastic. It has got my grandmother's antique sofa and a lovely fireplace in it. There are three comfortable armchairs in front of the fireplace.

My favourite room is my bedroom. It is on the first floor opposite my parent's bedroom. There is a computer on my desk and lots of posters on the walls. I've got a nice bed and a big wardrobe next to the window, but I haven't got a TV in my room yet. There is a big garden in front of the house and there is a garage for our two cars.

That's our new house! I hope you can come and visit us soon. I miss you.

Love,

Pat
