THE BROTHERS FOUR - "Greenfields"

Once there were green fields
Kissed by the sun
Once there were valleys
Where rivers used to run
Once there were blue skies
With white clouds high above
Once they were part
Of an everlasting love
We were the lovers
Who strolled through green fields

Green fields are gone now,
Parched by the sun
Gone from the valleys
Where rivers used to run
Gone with the cold wind
That swept into my heart
Gone with the lovers
Who let their dreams depart
Where are the green fields
That we used to roam

I'll never know
What made you run away
How can I keep searching
When dark clouds hide the day
I only know
There's nothing here for me
Nothing in this wide world,
Left for me to see

Still I'll keep on waiting
Until you return
I'll keep on waiting
Until the day you learn
You can't be happy
While your heart's on the roam
You can't be happy
Until you bring it home
Home to the green fields
And me once again

Fine
