[Contact us](#)

Founder

The foundation stone of Sparx IT Solutions has been laid by young and dynamic Prashant and Vikash. Let's have a glimpse over their words

Vikash Sharma

We are committed to providing excellent development services to our clients and hence, put our all out effort to achieve the best quality.

Prashant Sengar

Possible only because of our clients who have placed their trust on us and our excellent team of professionals.

Team

Sachin Malik

He does complete justice to his roles & responsibilities by performing the best in terms of operational processes.

Idan Desoza

The roles of a project manager appear to be the most challenging as he has to adapt himself according to the diverse needs of the project and the team.

Vivek K

Utilizing his successful experience, he keeps his team acquainted with the recent discoveries of online marketing.

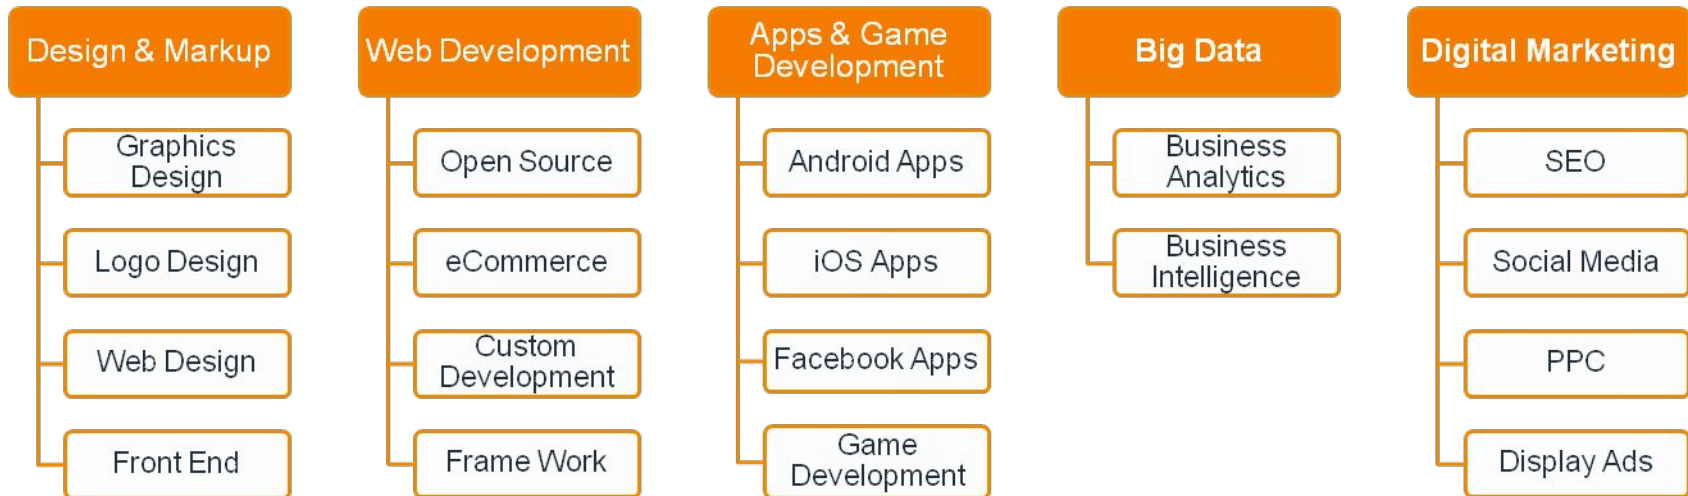

Sumit Sengar

He possesses veteran skills to astutely discover the manifold opportunities to achieve the business objectives & maintain quality to grab the new prospects and identify maximum sales.

Steve

He has a great acumen, which is his real strength to locate the most potential business deals by contacting the powerful business partners.

Specialization

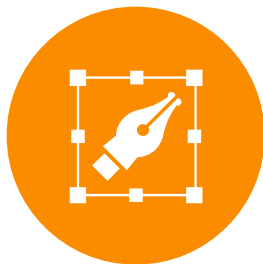

Process

Idea

To analyze the requirement through in-depth research with the help of brilliant tools.

Sketch

To draft the design that is related to the research in order to check the feasibility.

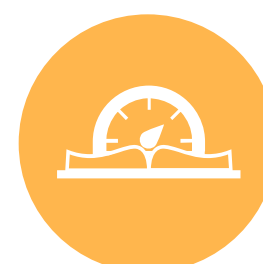

Design

After completing feasibility test, a final design is prepared by using smart tools.

Develop

Now, our the development team starts developing the solution according to design.

Test

In testing phase, we test every component to make sure that our solution fits the requirement.

Celebrate

We make delivery for the solution and assist our clients to control and administer solution.
