THE TEXT

**PEOPLE CANNOT LIVE WITHOUT MUSIC.
THEY CAN LISTEN TO MUSIC EVERYWHERE EVEN IN THE
FOREST, WHEN THEY WALK AND HEAR BIRDS SINGING.
MUSIC CAN BE CLASSICAL AND MODERN.**

Classical music is performed by symphonic orchestras in the great halls. There are a lot of famous composers whose music is played nowadays. Classical music is serious and requires good understanding or it may seem to be boring and

Most people prefer modern music. Modern music is performed by TV and radio. Modern music has different kinds: pop, rock, disco, rap, techno and others. Young people like techno and disco. Older people are fond of jazz, rock and pop.

There are a lot of singers or music bands who perform this or that kind of music. Everybody knows the founders of rock music. They are the “Beatles” and Elvis Presley.

Now there are a lot of discs and records of different performers. The last achievement in music production is a clip. Musical clips are short films accompanied by the melody. It may be a short story what the song is about or simply a great number of different pictures.

People like to watch clips because it's not only listening to music but also watching interesting things. I'm fond of music and like to listen to it for it helps me to have good relaxation.

The End
