

Title Page. Insert whatever text and/or images you would like to use on the front of your lapbook on this slide.

Insert Title Here.

Type information here.

**Assembly for the
Eight Shutterfolds
Book**

Cut the book out
on the solid lines.
Fold the flaps
inward on the
dotted lines. Write
subtitles on the
outside of each of
the eight flaps.

Assembly for the Tab Book

Cut out each page. Stack them on top of each other according to the page numbers. Staple on the left side on the two staple marks.

**Assembly for the
Tongue-Fold Book**

Cut out the book
and the title piece
on the solid lines.

Fold the book in
half on the dotted
lines with the text
facing inwards.

Paste the title
piece on the front
of the book.

Insert title/images here. You will
cut this and paste it on the front.

Insert Title/Images here.

Assembly for Trifold Book

Cut the book and the title piece out on the solid lines. Fold the five flaps inward on the dotted lines. Then fold the left page on top of the flaps on the dotted lines. Paste the title piece on top of the front page.
