

# \*Portfolio of my works

Welcome to the world of arts and  
crafts

# As they say: school years are wonderful years

- \* I studied techniques of working with different materials: with threads and fabric, with art painting on fabric, glass and wood, with wood carving.
- \* For each type of decorative art, I took part in exhibitions and received a degree of laureate, diploma.

# \*Needlework

\*From 7 years (before studying at school) to grade 5 I was engaged in needlework. I studied different schemes of knitting, made toys, knitted on a grid.

# \*Embroidery

\*Then before 8 class I studied with embroidery. As in needlework first I learned different technics and the next I made some works.

# \* Batik and glass painting

- \* In middle school, I went to batik's Studio and painted glass.

# \*Wood carving

\* In the 8th grade there was a school component - wood carving. I studied geometric carving, Tatianka woodcarving. Cut on the painted and unpainted surface of a tree.

# \* Wood painting
