

WELCOME TO RUSSIA

Would you like to go to Russia

The title of my project is
«Welcome to Russia»
I`ve chosen this project because
this topic seemed interestin in the
fact to pass all the beauty of
Russia

The topic « Welcome to Russia» is very exciting. Russia is a huge and multinational country.

In Russia there are a lot of beautiful places , wonderful museums and ancient cathedrals and churches.

Many foreigners want to visit exciting places of Russia .
One of these places is Lake Baikal.

As you know the Lake Baikal is the largest lake in the world. Baikal has an area of more than 31000 square kilometers. The greatest depth of the lake 1637 meters. Baikal is an amazing lake

In our country many famous people lived and live for example the great astronauts Gagarin and Tereshkova

The great poets such as Pushkin, Yesenin
