

by HERBER

Hey you,
red colour is cool!

Shut up and skate!
Orange is great!

I say hello!,
My favourite is yellow!

I say bye-bye,
Green is really nice!

I don't agree with you,
The most beautiful is blue!

No way, guy!
just purple is all right!

Get out of the rink, my favourite is pink!

Join us, girls and boys!
The rainbow's our choice!
