*Не грусти,  
что опять быстро лето  
ушло,*

**Что, прощаясь,  
листва машет грустно в  
окно,**

***Плачет дождик, по  
стеклам стекая слезой,***

***И тревожит тебя  
отшумевшей грозой.***

***Присмотрись,  
и увидишь, что  
солнечный луч,***

A dramatic sky with a bright sun breaking through clouds, casting a golden glow over a dark horizon. The sun is positioned on the left side, creating a strong lens flare and illuminating the surrounding clouds. The sky transitions from a deep blue on the right to a bright yellow and orange near the sun. The clouds are scattered and vary in density, with some appearing as soft, white wisps and others as darker, more defined shapes. The overall mood is one of hope and perseverance.

*Пробивается снова к  
тебе из-за туч,*

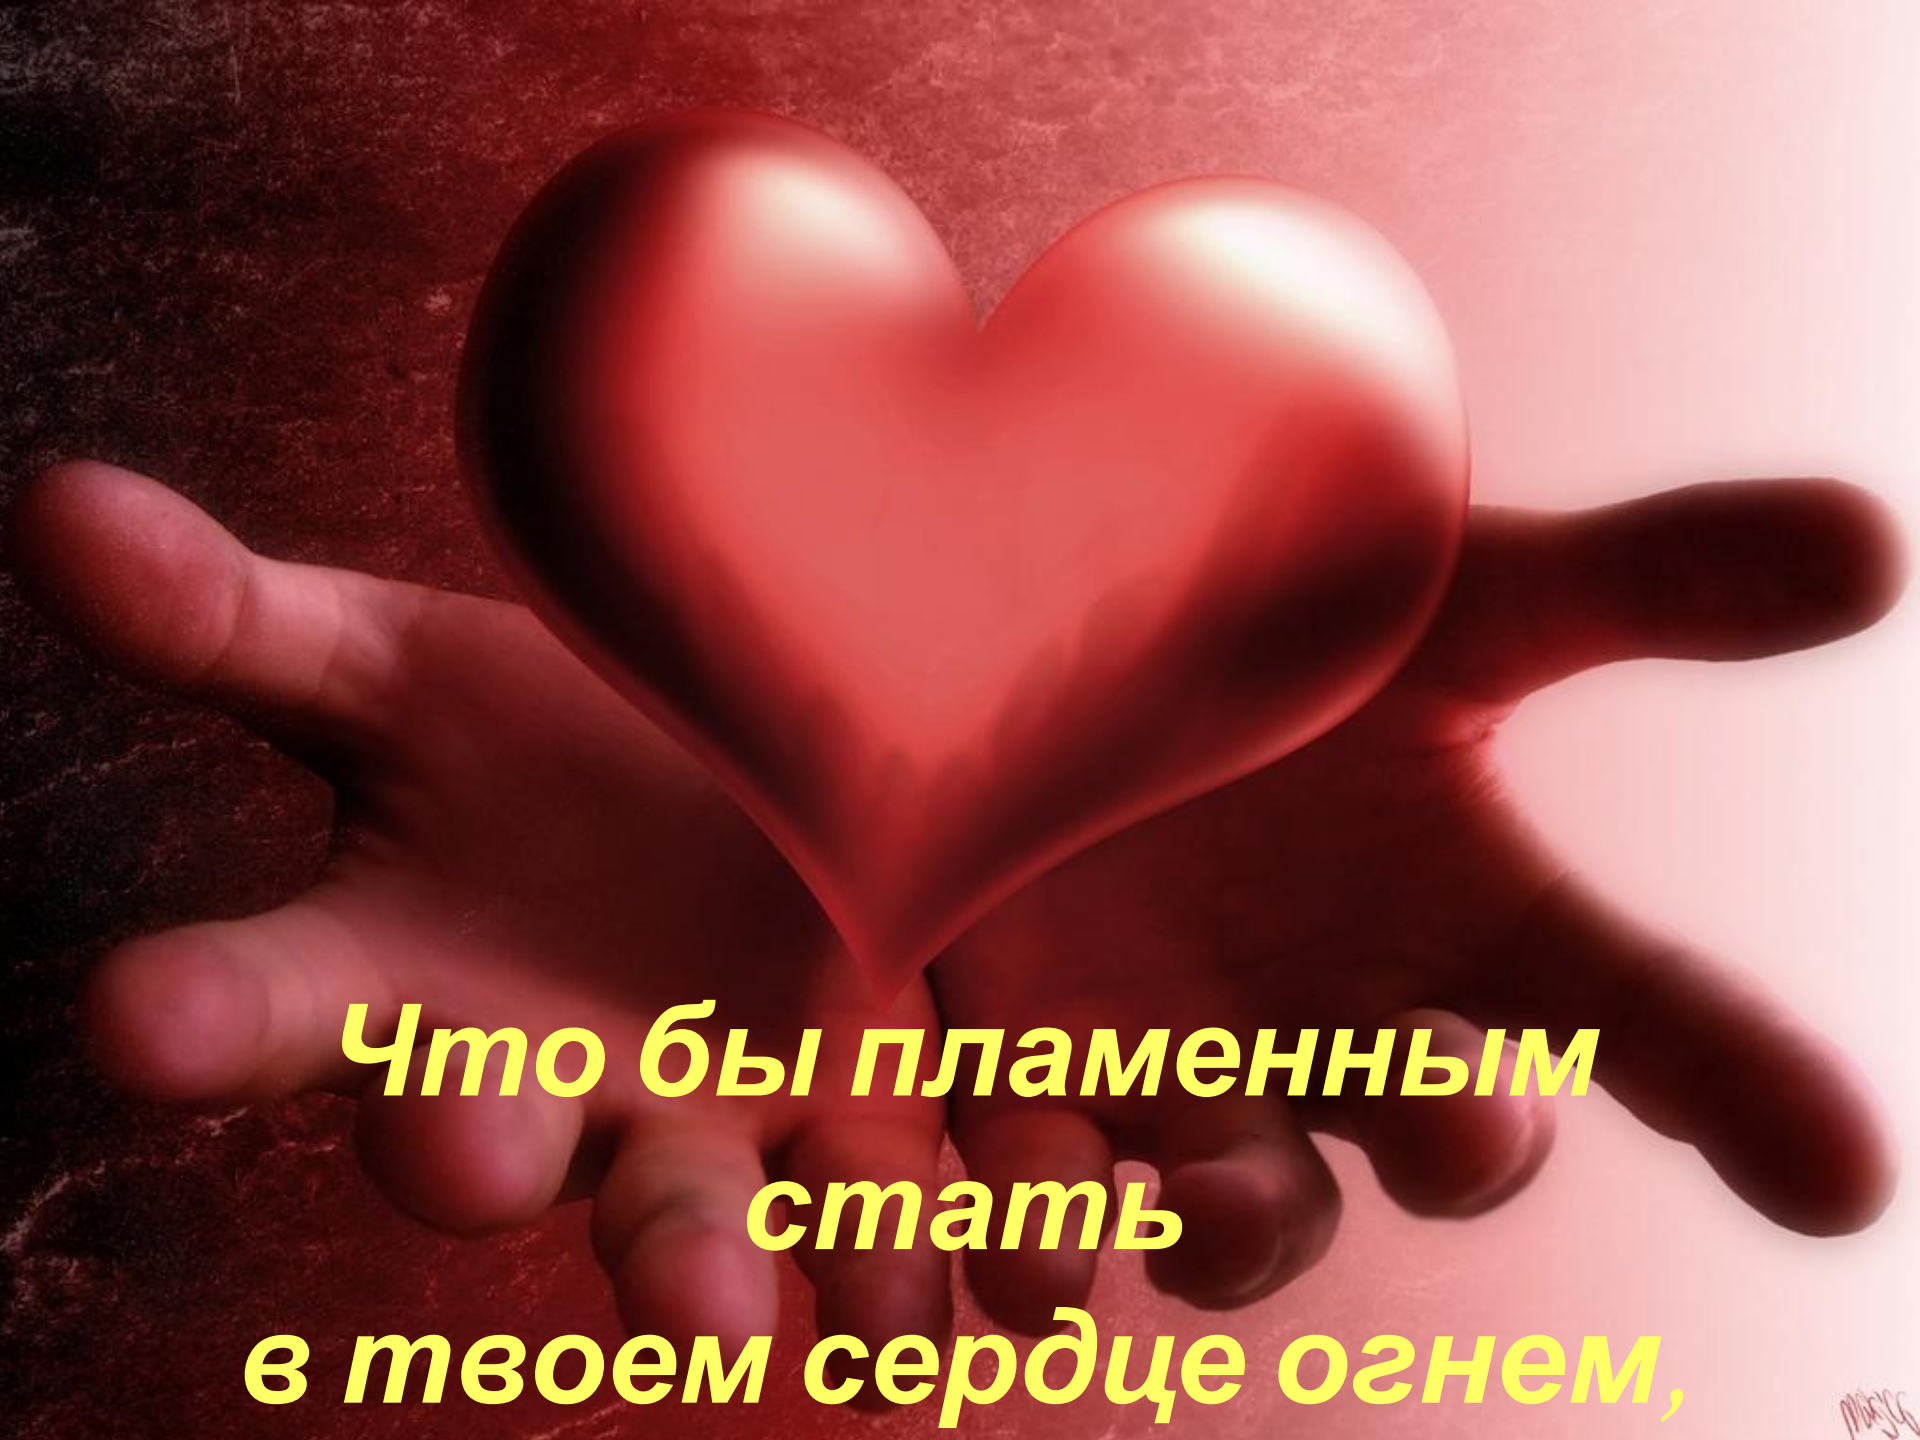

**Чтоб последним теплом  
прикоснуться к щекам,  
Пробежаться по мягким твоим  
волосам**

**Чтоб последним теплом прикоснуться  
к щекам,  
Пробежаться по мягким твоим  
волосам**

***Раствори  
ться  
в тебе,  
согревая  
теплом,***

A pair of hands, one from the left and one from the right, are shown holding a large, glowing red heart. The heart has a bright, white highlight on its upper right side, giving it a three-dimensional, metallic appearance. The hands are positioned as if they are gently cradling the heart. The background is a dark, textured red on the left, which transitions into a lighter, more uniform red on the right. The overall mood is warm and intimate.

***Что бы пламенным  
стать  
в твоём сердце огнем,***

***Все ненужное сжечь,  
и пустое забыть.***

The image features two hands, one from the left and one from the right, positioned to hold a glowing heart shape. The hands are rendered in a golden-brown, almost ethereal glow, with bright light emanating from the center of the heart. The background is a textured, light blue surface, possibly a wall or a canvas, with some darker blue and greenish tones. The overall mood is warm, hopeful, and inspirational.

***Надо жить, чтоб гореть!  
И дерзать! И творить!***
