

**Формирование коммуникативной
компетенции на уроках иностранного языка**

Никищенко Светлана Андреевна

Средство международного общения

- Коммуникативно-речевое вживание в иноязычную среду стран изучаемого языка.
- Социокультурное развитие школьников с помощью страноведческого и лингвокультуроведческого материала.
- Формирование и развитие базовых коммуникативных умений в основных видах речевой деятельности.
