A picture is worth a thousand words

A complex idea can be conveyed with just a single still image, namely making it possible to absorb large amounts of data quickly.

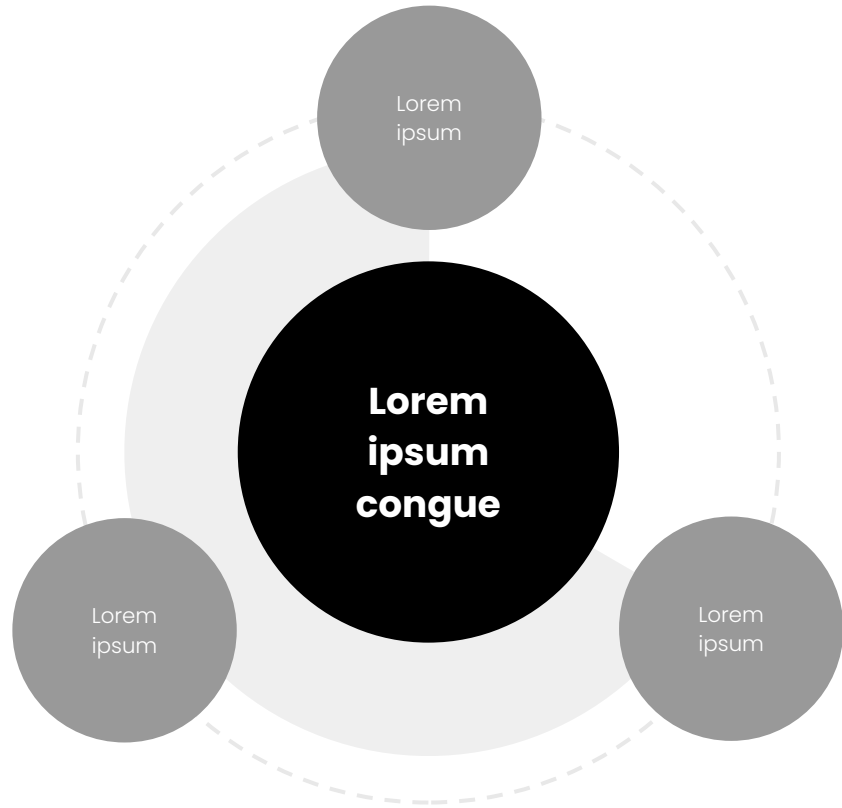

A circular frame containing a photograph of a desk. In the center is a large, black, three-dimensional letter 'A'. To its right is a wooden block with the letter 'S' carved into it. To the left is a potted plant in a white pot with a lace-like top. In the foreground, a smartphone lies on the desk, displaying a large white arrow pointing downwards. The background shows a window with light coming through.
