Law laudators

Senior students are law laudators of the Legal Clinic. They include in its composition through the competition.

Main motto

Respondere, cavere, agere - a motto that guides the team of the Legal Clinic. In Roman law it covered three different forms of legal activity:

- respondere - responding to requests of private persons on any legal question;
- cavere - making the best formulas for different legal acts (contracts, wills, etc.)
- agere - advising on the preparation of claims and the procedural litigation of the case.

The main tasks of the Legal Clinic

- providing opportunities skills practice in the specialty for students;
- providing a free legal advice for socially vulnerable groups of citizens;
- students communication with practitioners of judicial and law enforcement authorities, other public bodies and local authorities on their activities during the learning process;
- publication scientific works on topical legal issues;

- 
- Cooperation with representatives of public and private agencies and organizations;
 - Scientific-practical conferences, seminars and other events on topical legal issues;
 - Cooperation with other legal clinics in universities in Ukraine and outside the state.
