

Disneyland

{

*Amusement Park
Disneyland Paris is
located in the far
suburb of Paris - in
the town of
Marne-la-Vallee.
Walt Disney Park
was open in 1992.*

Adventureland is the most famous part of the park. This is where the roller coaster rides of Indiana Jones with a triple noose in the opposite direction, Robinson tree house on top, a ship from the movie Pirates of the Caribbean and the island-maze.

Main Street is the main street of Disneyland. On this street there is a station where the train goes around the park. There are many restaurants and cafes decorated in a retro style. There you can buy souvenirs and take photos in the booths instant photo.

*Discoveryland is known for its attraction
Space Mountain*

*This roller coaster, stylized magic world of
Jules Verne. In the middle of the park there
is a musical show "The Legend of the Lion
King."*

Fantasyland is designed primarily for the youngest visitors, but only here you can take a photo with Snow White, Peter Pan and other heroes of fairy tales. The most famous castle of the Sleeping Beauty in the middle of the park. In Fantasyland there is also Alice's Curious Labyrinth

In Disneyland, you can ride on different and exciting rides. You can take a trip to the moon, take photos with the different characters, see the parades and shows of fairy tales and cartoons.

Disneyland - fairy-tale world!
