The background of the slide is a textured, golden-brown surface featuring faint, stylized depictions of ancient Egyptian hieroglyphs and carvings. On the left, a large figure is shown in profile, with arms raised in a gesture of adoration or offering. In the center, there are vertical columns of hieroglyphs, including symbols like the ankh, a triangle, and a lotus flower. To the right, another large figure is visible, though less distinct. The overall aesthetic is that of an ancient stone wall or papyrus scroll.
