

**SSE Russia EMBA – GM20**

# **CREATE YOUR HARVARD ACCOUNT**

**Mattia Bianchi**, Professor

# Introduction

- During the second day of M11 (Sept 17), you will engage in a business simulation that is offered by Harvard Business School.
- Like flight simulators for pilots in training, business simulations offer participants virtual decision making experiences, that emulate the real world of business while controlling for “noise”.
- You will play the simulation digitally, through your laptop. So please bring the laptop to class on Sept 17. You will be joined by one or two GM20 colleagues that will play with you.
- But first, you need to create your account with Harvard Business School.

# PLEASE MAKE SURE THAT THE SOFTWARE OF YOUR COMPUTER HAS BEEN RECENTLY UPDATED!

OBSOLETE SOFTWARE MIGHT SLOW  
DOWN THE FUNCTIONING OF THE  
SIMULATIONS, AND SO WORSEN THE  
USER EXPERIENCE

ALSO, DO **NOT** USE AUTOMATIC  
TRANSLATION OF ENGLISH TO RUSSIAN  
IN YOUR BROWSER. OTHERWISE THE  
SIMULATION DOES NOT WORK

# Creating the account with Harvard (1/2)

- Please click on this link:

<https://hbsp.harvard.edu/import/756960>

- Click on "REGISTER"

## Creating the account with Harvard (2/2)
