THE LAND AND THE PEOPLE OF THE GREAT BRITAIN

The United Kingdom of Great Britain and Northern Ireland (the UK) is the official name of the state which is situated in the British Isles. It consists of four countries which are England, Scotland, Wales and Northern Ireland. Their capitals are London, Edinburgh, Cardiff and Belfast.

The UK is an island state. The two main islands are Great Britain and Ireland. The two islands are separated by the Irish Sea.

The UK is separated from the continent by the English Channel and the Straits of Dover. The UK is also washed by the Atlantic Ocean in the north and the North Sea in the east.

Everyone who was born in Britain is British. People from England are English. People from Scotland, Wales or Northern Ireland are not English. They are Scottish or Scots; Welsh and Irish.

More than 56 million people live in Britain. Many of them live in big industrial cities like London. Manchester and Liverpool are big industrial cities in the centre of England.

Everyone in Britain speaks English, but in some parts of Scotland and Wales people speak different languages as well.

As you know, the flag of the UK is known as the Union Jack. It is made of three crosses.
