

# DEPORTATION OF IRANIANS

*Done by Doskazyeva Dariya*

- Deportation was used for the radical solution of public problems in a short period of time.
- In a short period of time more than one million people were deported to Kazakhstan that made him a multi-ethnic republic. Historically, the Kazakhs took different nations and met with hospitality and kindness shared with them shelter and fireplace.

# RESOLUTION GFCS №6100SS EVICTION FROM CRIMEA TO UZBEKISTAN IRANIAN NATIONALS WITH EXPIRED PASSPORTS

- 24 June, 1944 in Moscow, Kreml
- The decree was written to permit the NKVD to evict from the Crimean locals Iranian citizenship who have overdue National Iranian passports and send them to the war in one of the districts of the Uzbek SSR.

# NOTE NKVD N.L.EZHOV'S OF ARRESTS AND DEPORTATION OF IRANIAN CITIZENS IN AZERBAIJAN

- January 18, 1938
- 1. Immediately start arrests of Iranians – the Iranian national and Iranians, who have neither the Soviet nor foreign passports. The first arrest those suspected of espionage, sabotage, terrorism or any other anti-Soviet activities.

- 2. Simultaneously with the arrests to deploy a vigorous investigative work for the full opening of all hearths and lines of espionage and sabotage, rebel, bandit and nationalist work, paying particular attention to the detection of illegal links with Iran across the border and relations with the Iranian anti-Soviet element from among the local population.
- 3. During the arrests and investigation reports from the five-day convey the message totals and important evidence.

# RESOLUTION OF THE CPSU (B) THE ACCEPTANCE OF IRAN FIELD AN APPLICATION WITH INFORMATION ABOUT THE PRESENCE OF IRANIANS IN AZERBAIJAN

- January 19, 1938
- 1. Suggest CC ACP (b) and CPC of Azerbaijan immediately notify all the citizens of border areas with Iran about the design of Soviet citizenship within 10 days in the event that these citizens consider themselves citizen of Iran.

- 2. All those citizens of Iranians, who will draw up Soviet citizenship, move to the month in Kazakhstan following the example of resettlement of Kurds from Nakhchivan Republic.
  - 3. All those citizens of the Iranians, who refuse to go to the Soviet citizenship and wish to remain subjects of Iran, are subjected to immediate eviction in Iran and in the event of arrest.
-

# ECHO “GREAT TERROR” DEPORTATION OF IRANIAN AND CHINESE (1938)

- January 19, 1938 it was decided to resettle 2000 families of Iranians who have issued Soviet citizenship, from the border areas of SSR in Alma-Ata, and the South-Kazakhstan region.
- The Jews of Iran-Kerki, Tahta Bazar and Sarakhs in the southern border districts of Turkmenistan were deported to the area of Bairam-Ali and Iolotani-desert in northern part of the region, in a little fit for human life natural waist.

- Almost all the deported people during the eviction were deprived of their property, in return for the exchange receipts, for which they should have received in the settlement areas.
  - Poor medical care and sanitary hygienic norms, lack of heated homes, elementary living conditions have contributed to the disease and the high mortality rate among immigrants.
-

- In total, the Azerbaijan SSR lives of Iranians – 40000, of them Iranian citizens - 15000. Of these number, in Baku - 10000 people, mostly in the oil fields in the Caspian Shipping Company, and at the railway transport – 5000.
