

MY IDOL IS FC "RUBIN KAZAN"

The history of the club

- ❑ **FC Rubin Kazan** is a Russian association football club based in the Kazan city in the Republic of Tatarstan.
- ❑ Football club "Rubin" was founded in 1958 on the basis of the Kazan aviation factory №22 and was originally called "Iskra". This company was the permanent sponsor of the club until the end of the USSR.
- ❑ During the break between 1964-1965 years' seasons in the history of the Kazan football club was a significant event - "Iskra" has changed its name and became "Rubin". Name of gem "Rubin" comes from Latin and means "red."
- ❑ In 1965, in the first season with a new name Kazan club under coach of Nikolai Sentyabrev won the right to play in the second group of Class A. In the period since 1968 till 1970, Victor Kolotov defended the colors of "Rubin", he became the only player of the club, which is called in the USSR team

Another landmark date in the history of the club was the August 4, 2001 - the day when "Rubin" was headed by Kurban Berdyev. This specialist led the team for 12 years, associated with the most successful years in the 55-year history of the club. In 2003, the "Rubin" made its debut in the Premier League and won bronze medals. In 2008, the year of its 50th anniversary, "Rubin" became the first champion of the country.
