# About NY Central Park

New York's Central Park consists of many meadows, gardens and lakes, and spans more than 50 city blocks. Central Park was created as a place where people could mingle and meditate. It is 150 years old. The park is surrounded by skyscrapers of Manhattan. Now it attracts over 30 million visitors a year.

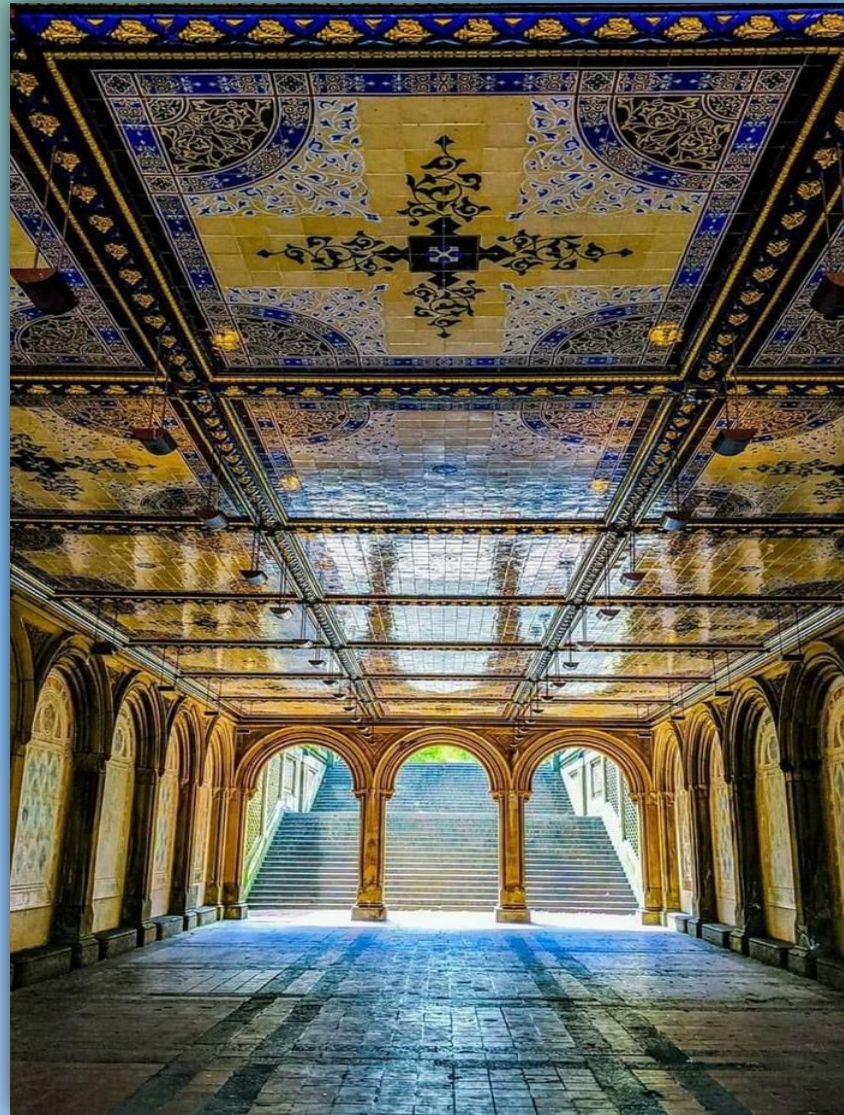

# About NY Central Park

Central Park is a place of many moods. It offers huge open spaces, like the Great Lawn. There are many sculptures and bridges. Follow the Mall to the park's elegant centerpiece, the Bethesda Fountain and Terrace. Nearby at the Loeb Boathouse, hire a boat and take a romantic row around the lake. Rising over the woodlands, Belvedere Castle offers great views of the park.

# Central Park in NYC

# About NY Central Park

Here you can see the Shakespeare Garden, where there are a lot of plants and flowers from the playwright's works. Join Beatles fans in the Strawberry Fields Memorial Garden which is dedicated to the life of one of New York's most famous residents, John Lennon. Before you leave, say a little thank you to New York's city fathers. They have made this dynamic metropolis so picturesque. Central Park is a place where New Yorkers and visitors can breathe, and simply be.
