

UK national costume

What is national dress?

- National clothes are the property of the people, the embodiment of their culture and traditions, a reflection of the worldview and way of life.
- Folk clothes carry the centuries-old traditions and customs of the regions, changing and improving. Each nation has its own characteristics in national dress.

Why doesn't England have a specific national costume? There is no specific national costume in England.

The world famous folk costume of dancers performing an English traditional dance called Morris. In the distant past, this dance was ritual, magical properties were attributed to it, it was supposed to awaken the earth. In ancient times, it was a male dance, but over time, women also began to participate in it.

Scottish national dress.

One of the most famous national costumes in the world is the Scottish kilt. In the world, the symbol of Scotland is three things: kilt, whiskey and Haggis pie. The pattern on the kilt reflects belonging to a particular clan.

National costume of Wales

The Welsh folk costume, now out of use, resembled the folk clothes of the English and especially the Irish, but it also had some specific features. Women's costume of the XIX century. Consisted of a dark waist-length sweater with long sleeves and a peplum, two skirts (lower and upper) and a light checkered apron.
