Second Conditional

Second Conditional

Сослагательное наклонение

- **Second conditional** - Нереальное условное предложение. **Second conditional** используется в том случае, если речь идет о нереальной ситуации

- Для того чтобы образовать такой тип условного предложения, необходимо в придаточном предложении употребить глагол в форме прошедшего времени (**Past Simple**), а в главном предложении создать сложную форму сослагательного наклонения из глагола **would** и простого инфинитива глагола без to.

- Например:

If you went to bed earlier you would not feel tired. - Если бы вы ложились спать пораньше, то не чувствовали бы себя усталым.

- Если же в придаточном предложении мы имеем глагол **to be**, то его формой сослагательного наклонения будет **were** для всех лиц.
- Например:

If I were you I would study English by all means.-
На твоём месте я бы обязательно выучил английский.
