*of Natalie Dyakova*

# EARLY LIFE AND FAMILY

---

❖ I was born on January 8, 2001 in the charming city – my lovely Odessa. I grew up as a civil, active child with many friends and different hobbies. But some things have changed since then .

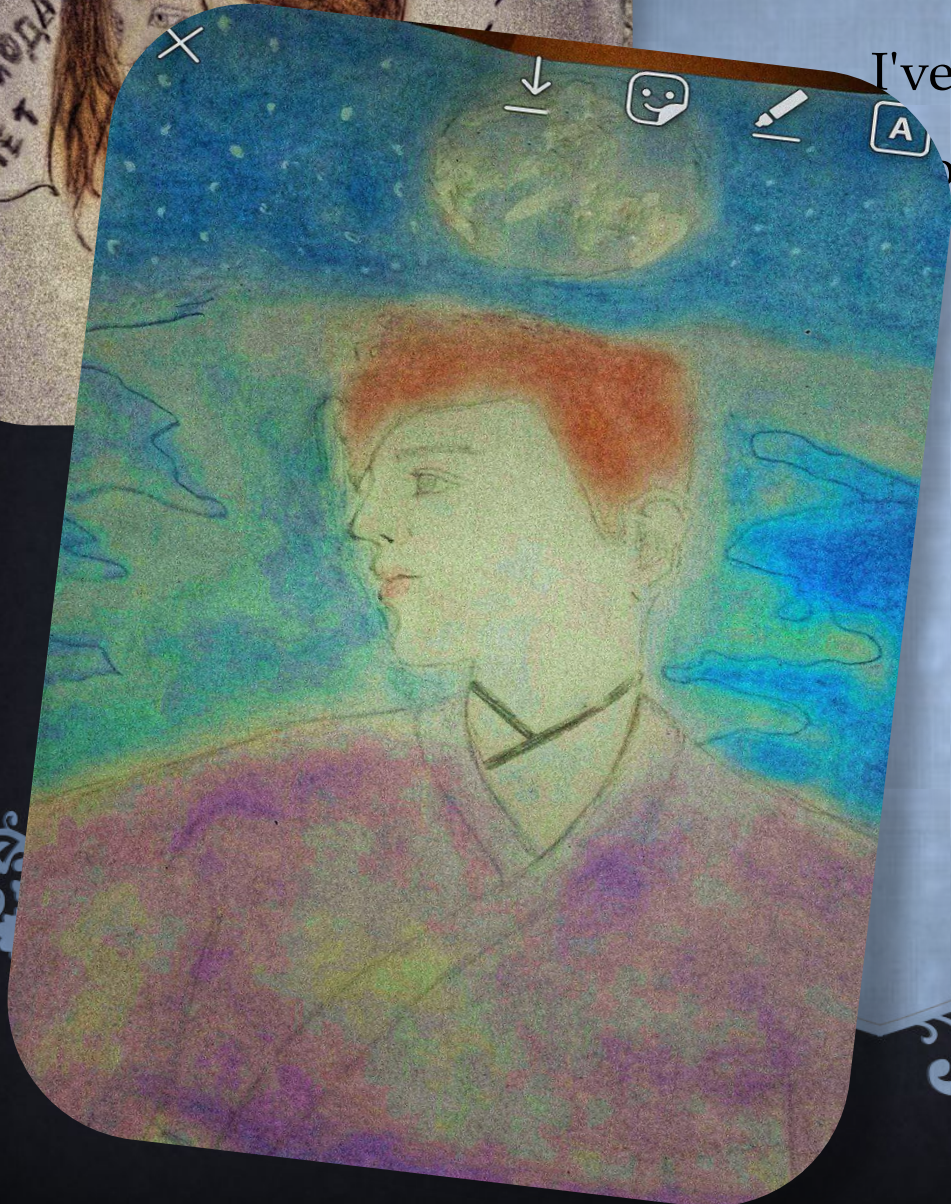

Forever, my parents have been supportive of whatever I wanted to do. For all that they have done, I am grateful.

Well, my mum's name is Lyudmila.  
She currently works as a hairdresser  
My father, Alexander, is a railroad  
worker.

I've always liked drawing. And now. I'm doing everything to upgrade my skills.

# MY FUTURE JOB

❖ In my senior year, when I had to make a choice I had no doubt. Medicine - this has always been my concern. My first instinct is to help people.

And at first, my dream was to become a cosmetologist. Because I actually suffered and still continue to suffer from acne.

But to become a  
cosmetologist I need a  
medical education. I had to  
choose between obstetrician  
and nurse way.

Now, the profession of the  
Obstetrician is very demanded  
in the labor market. Ma

Odessa Regional Basic Medical School – is the best option for  
me.

Since the first days I understood that there are the most interesting lessons

And very friendly people. Particularly in my group.

# MY DREAM

❖ In the future I do want to spend a year abroad. Maybe traveling by car with pleasant music from the one country to another. At first I will visit Germany.

I like listening to music both old classical and modern ones. Especially calm, soft, gentle melodies.

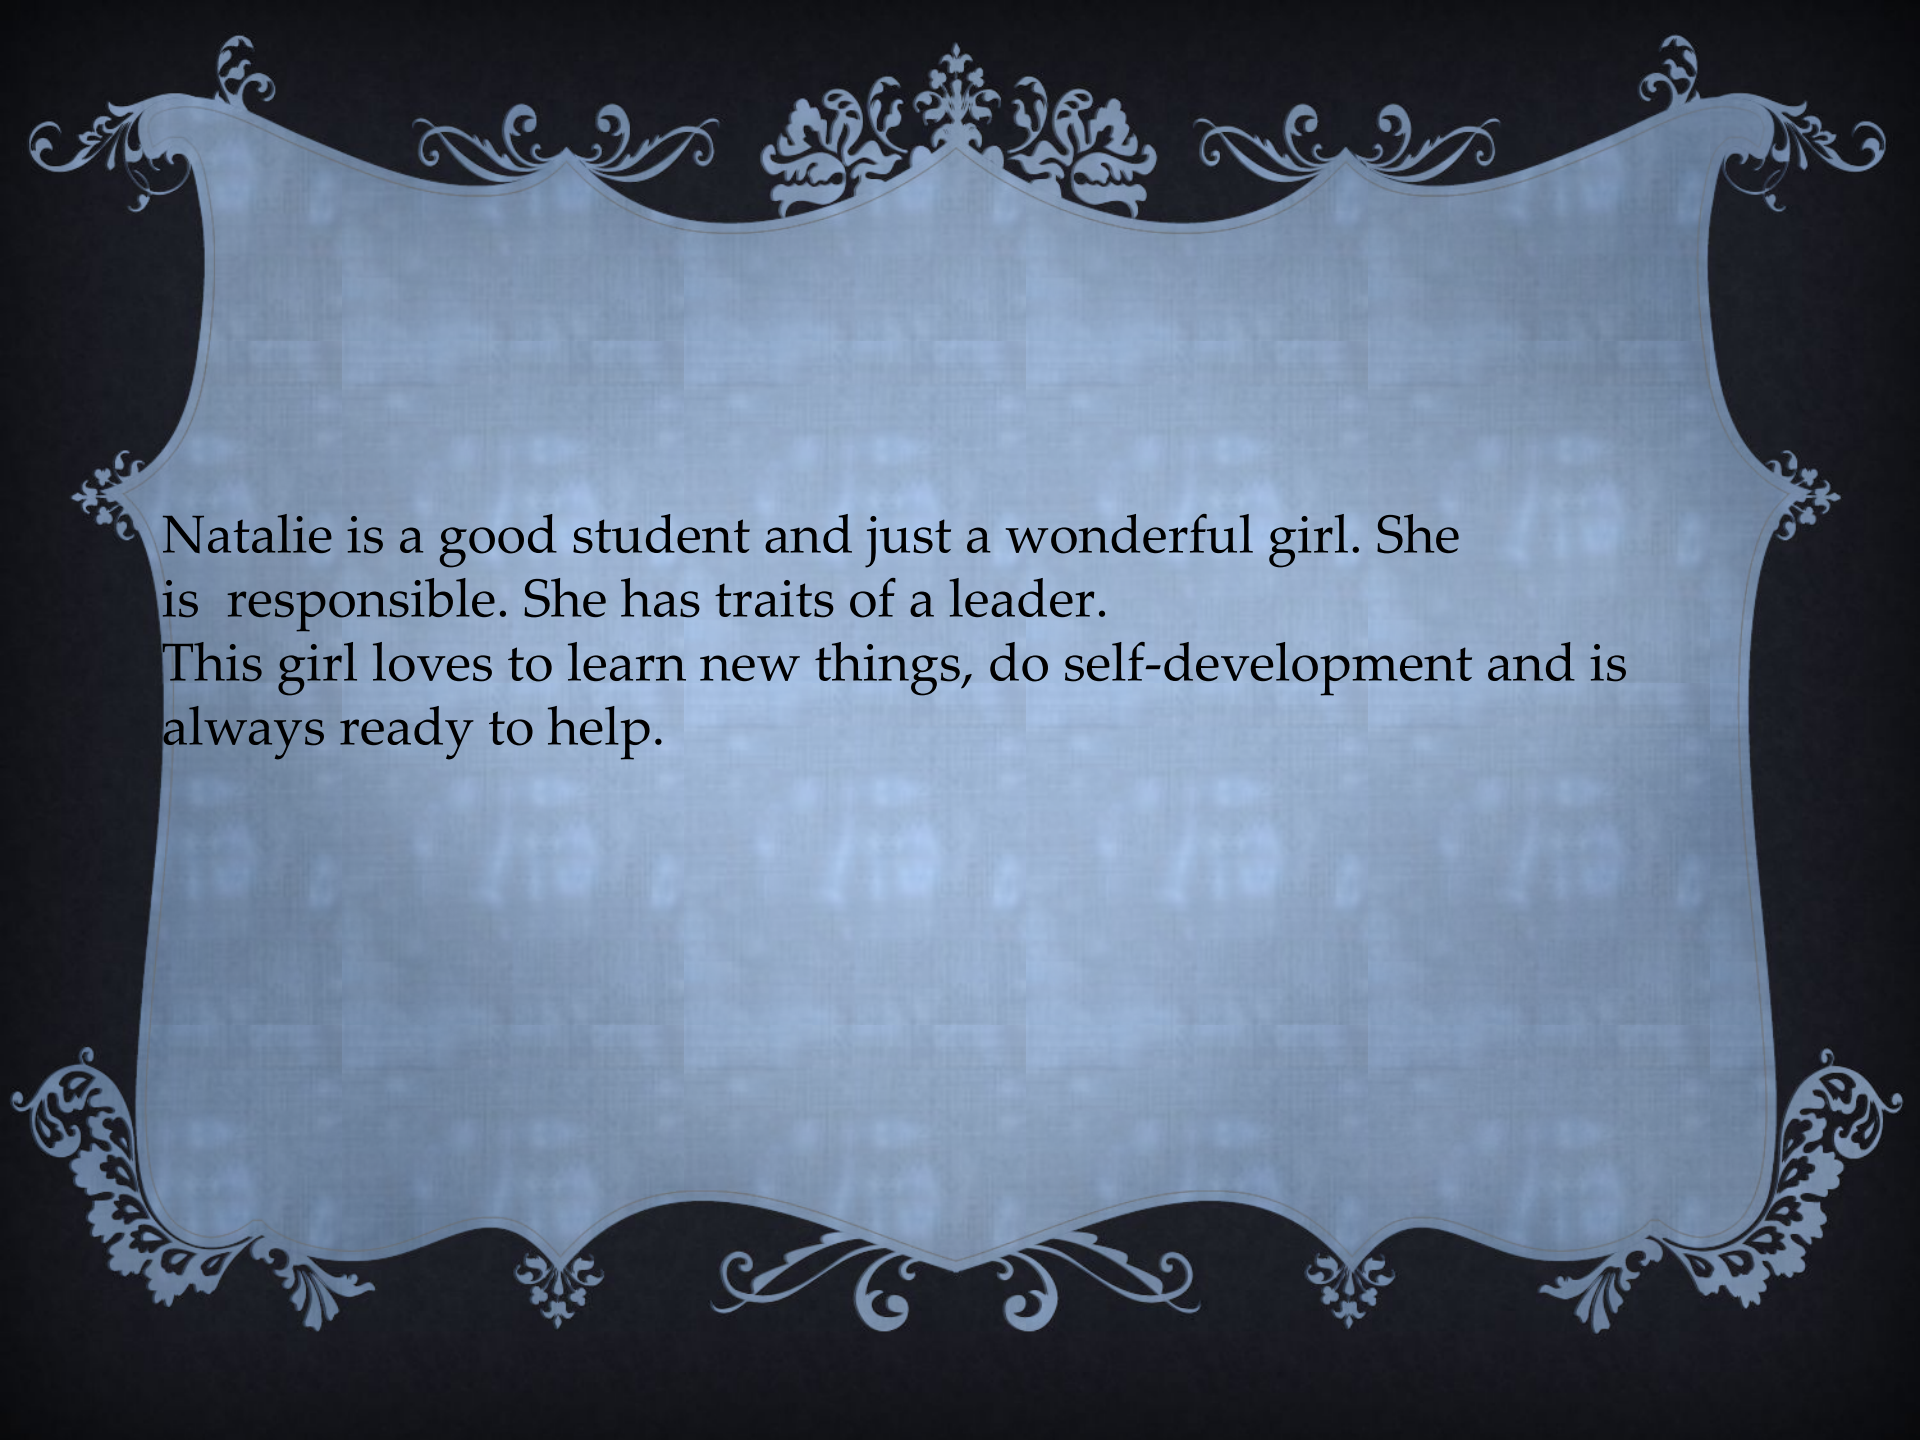

I ASKED MY FRIENDS TO  
CHARACTERIZE ME

---

*That's what they replied.*

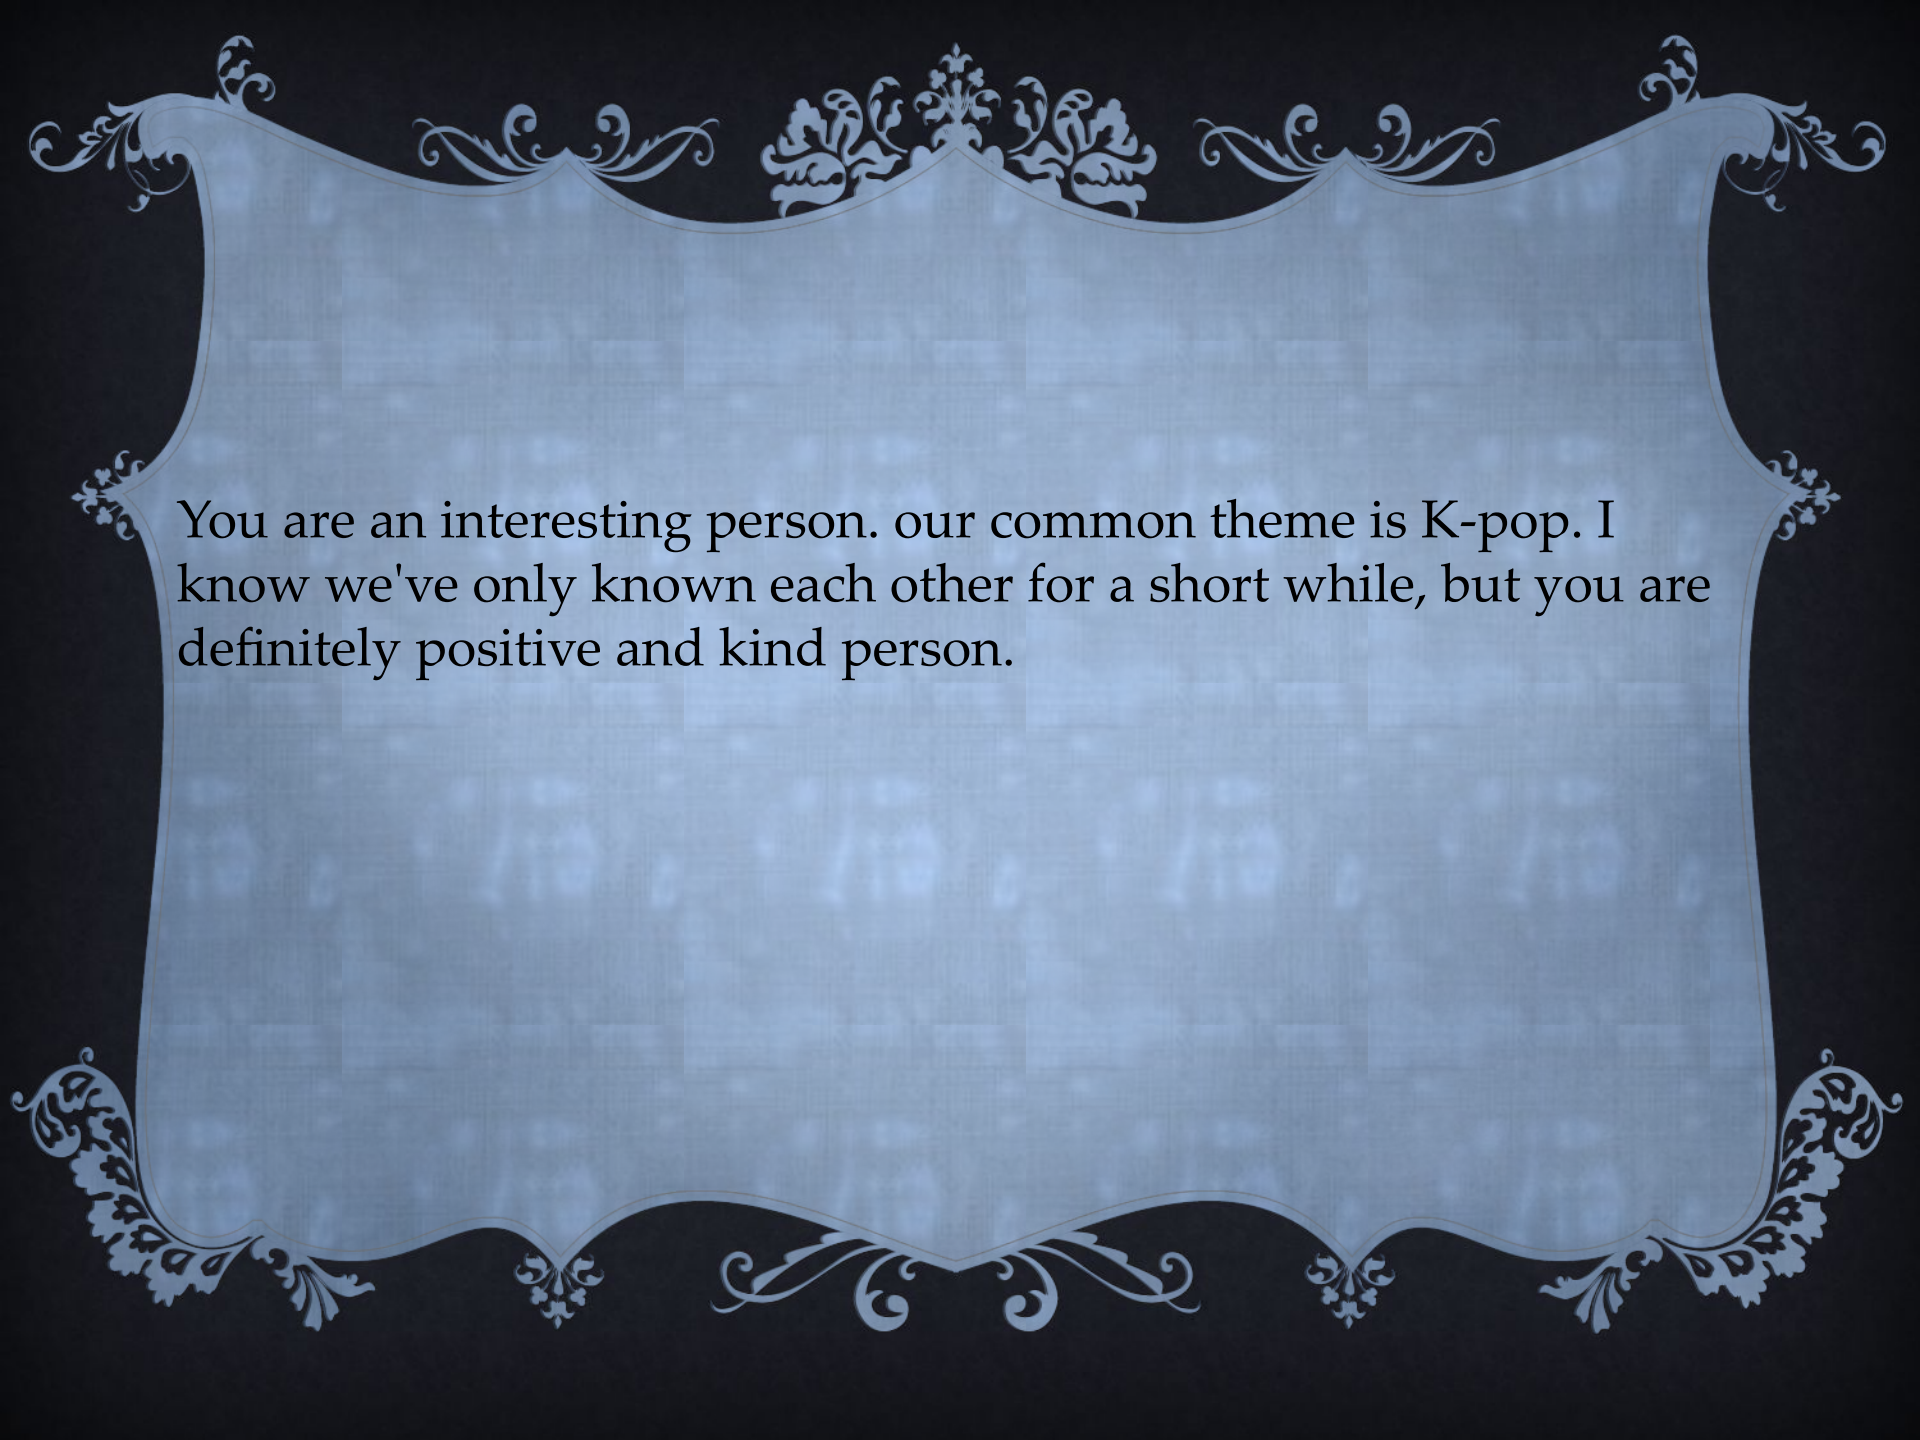

Natalie is a good student and just a wonderful girl. She is responsible. She has traits of a leader.

This girl loves to learn new things, do self-development and is always ready to help.

You are an interesting person. our common theme is K-pop. I know we've only known each other for a short while, but you are definitely positive and kind person.

Purposeful, very kind and sincere. Sometimes you can be such a baby. You are so jealous, but sweet and carrying person.

*I am grateful to everyone who have supported me*
